FOREWORD

THE American Medical Directory, the initial edition of which is herewith presented, is the first attempt which has been made by the medical profession itself, through the American Medical Association, to produce such a work. Its preparation, long contemplated, has occupied nearly two years. So far as possible, it is based on the official records of state licensing boards, medical colleges and medical societies. In connection with its compilation, a systematic examination and a revision of these records have been undertaken. Many contradictions and discrepancies have been found, which have been corrected so far as time would permit. The collection of biographical material regarding the personnel of the medical profession will be continued. It is hoped, in subsequent editions, to supply the deficiencies and to correct the errors found in this first edition.

With the exception of certain states, in which complete records did not exist, and of certain individual physicians not in practice, only the names of legally qualified physicians have been included. The date of license given indicates the date of registration and not necessarily the date of beginning practice.

No one can better realize the shortcomings of this volume than those who have labored on it. It is earnestly hoped that all members of the profession will report at once any inaccuracies, misstatements, or omissions, in order that they may be corrected.

This work would have been impossible had it not been for the constant, unfailing co-operation and interest of many members of the profession who have contributed, in no slight measure, to the success of the undertaking. The grateful thanks of the Association are particularly due to all secretaries of licensing boards, both in the United States and Canada; to the secretaries of the state associations, and to the officers of county societies, as well as to the thousands of correspondents who, by their painstaking efforts, have endeavored to make the Directory complete and accurate. For the first time in the history of American medicine, a Directory has been issued which is owned, compiled and published by the medical profession, for its own use and purposes. This book is issued in the hope that it may prove of value to those who have made its production possible.

WHAT THEY REPRESENT

The chemicals, **ARGYROL** (Argenti Vitellinum Syntheticum) and **OVOFERRIN** (Ferri Vitellinum Syntheticum), originated by us, are the results of the following practical work in chemistry and allied sciences in the Laboratories of the University of Pennsylvania, University of Würzburg, University of Heidelberg, etc., viz.:—

Two years' work in chemistry with Professor Marshall at the University of Pennsylvania. One year's work in experimental physiology in Berlin. Two years' laboratory work in pharmaceutical chemistry with Professor Medicus at the University of Würzburg. One year's laboratory work in physics with Professor Roentgen at Würzburg. Two years' research work in physiological chemistry with Professor Fick at Würzburg. One and one half years' work in chemistry with Professor Hantzsch at Würzburg. One year in physics with Professor Quincke at Heidelberg.

Completed (published) original research in pharmacology (experimental therapeutics) with Professor Gottlieb at Heidelberg. Completed (published) original research work in chemistry with Professor Curtius at Heidelberg. The records of our research work, published by the University authorities, will be found in the Archiv für Experimentelle Path. und Pharmakologie and in the Journal für praktische Chemie.

The object of that work was to obtain the requisite training to enable us to furnish physicians with scientific remedies for the more efficacious treatment of disease.

The published analyses of authorities in chemistry establish the technical status of Argyrol and Ovoferrin, and the published clinical studies of distinguished physicians show that these products represent important advances in scientific therapeutics.

1785 "The House of Lea" 1907

An American House in its 123d successful year proves its public value by that fact. Institutions here stand on merit only. "The House of Lea" antedates the American Constitution of 1789 by four years. It went through the panics of 1841, 1857, 1873, 1884 and 1893 with credit unimpaired. It was never stronger and more serviceable than today.

Fair dealing is the essence of such permanence. In the long run the public detects, avoids and extinguishes those who do not deal fairly by it. "Let the buyer beware," says the law, a caution especially valuable to the purchaser of books. For instance, he should *not* judge the age of a book by the date on its title page but by its copyright date. Similarly the word "edition" is often misused and applied to a mere *printing from slightly altered plates*. In Lea Brothers & Co.'s books an "edition" means a *revision*. The difference is important to the purchaser.

The "Lea" Imprint, shown above, is the stamp of sterling medical literature. This hallmark is affixed to books only after careful selection. Presence in the list of books which it identifies is recognized the world over as *prima facie* evidence of the standing of their authors, and as a guarantee of value to their purchasers. These publications are moreover the criterion in physical form as well as literary contents. The "House of Lea," now Lea Brothers & Co., can justly claim a leading share of credit for American pre-eminence in medical literature.

Catalogues and Descriptive Circulars mailed upon request. Physicians may for the asking, have their addresses filed for early information regarding new books and new editions as issued. Remunerative and permanent employment for salesmen. Address

An Up-to-Date Library

At the Least Expense.

The International Clinics

contains something of interest to every physician, being the most practical, economical, and best illustrated work of its kind ever offered the profession.

The Editorial Staff

includes medical authorities of the widest reputation with duties that are actual and not honorary, and is one of the strongest associated with any medico-literary enterprise.

The Real Advances made in Medicine

during the year appear in the March number, concisely filling the place attempted by the verbose "Year-Books" and "Annuals."

A Complete Monograph,

practical in character, will furnish the reader from time to time an article alone equivalent in value to the price paid for the volume.

An Encyclopaedia

for future reference is furnished in specially written articles by teachers of ability, on topics chosen with a view of embracing in a short time the entire domain of medicine, affording the general practitioner an opportunity of learning promptly the progress being made throughout the world.

The Cream of Practical Medicine

and the most recent opinions thereon, as illustrated by the bedside teachings of the best clinicians of both continents, is shown through the medium of concise lectures by the ablest teachers of the leading Medical Colleges.

A Post-Graduate Course

is thus furnished at the smallest cost and the minimum expenditure of time, practically bringing the clinics to your desk instead of you travelling to the clinics.

Practical Articles Short and Crisp

upon subjects with which the physician has to deal in his every-day work, treating the common diseases, and embracing the latest views as to diagnosis, therapeutics, and treatment, are given in large number.

The Illustrating

is done by trained medical artists whose regular services have been engaged, and who are under the immediate control and direction of the editor-in-chief.

The Most Experienced Authors

and teachers throughout the world are regular contributors, and they are men actively engaged in professional work, many of whom enjoy an international reputation.

Three Hundred Octavo Pages

per volume, with a complete index, in addition to which Volume IV. contains a general index to the four volumes of the series, each substantially bound and well printed in large, clear type. Issued quartely: one volume in March, June, October, December. All subscriptions begin with April and end with January.

Cloth, $2.00 per volume; $8.00 per year

Half leather, $2.25 per volume; $9.00 per year

Payable $2.00 every three months

THE

CRITIC AND GUIDE

WILLIAM J. ROBINSON, M.D., Editor

Occupies an absolutely unique position in medical journalism. Is in a field entirely its own. It matters not how many journals you are receiving you will want THE CRITIC AND GUIDE when you see it.

IT is in a class by itself. ¶ It has few of the stock features of other journals. ¶ It has done more in three years to throw confusion into the ranks of the patent medicine frauds than all other journals combined have done in three decades. ¶ It is loved by the good, it is feared by the wicked. ¶ The Editor says what he wants to say without beating about the bush and without reference as to what Mrs. Grundy will say or think. And it's good stuff, too. ¶ Many problems untouched by any other publication, such as questions of sex, regulation of reproduction, etc., treated boldly, freely and withal scientifically. ¶ Interesting from cover to cover. It is One Dollar a year and it is one of the few journals that are worth more than their subscription price. There is enough matter in *The Critic and Guide* to interest any physician, be he college professor or humble practitioner, and you ought to let us add your name to our list of subscribers. Address

HORLICK'S MALTED MILK

IS pure, rich milk, modified with an extract of malted cereals and evaporated in vacuo by a special process, original with us, into a concentrated, easily assimilated food, supplied in powder form, and made ready for use by simply dissolving in water. Its freedom from the impurities so commonly found in market milk, its uniform quality and high content of available nourishment, have won for it favorable consideration for many years as a rational food for infants, invalids, the aged and travelers.

MODERN MEDICINAL PREPARATIONS

ORTHOFORM

(Meta-amido-para-oxybenzoic-acid-methylester.)

Local Anesthetic, Antiseptic and Styptic. Applied to wounds of whatever character insures analgesia for hours, even days.

TUMENOL-AMMONIUM

Useful in the Treatment of Eczema and Dermatoses with itching symptoms. Reduces inflammation and promotes granulation in weeping eczema, erosions, excoriations, superficial ulcerations and burns of the first and second degree.

BENZOSOL

(Guaiacol Benzoate.)

Antitubercular, Antidiabetic, Intestinal Antifermentative and Antiseptic. Used wherever creasote or guaiacol is indicated. Contains 54% of guaiacol.

PYRAMIDON

(Phenyl-dimethyl-dimethylamido-pyrazolon.)

Antipyretic, Antineuralgic and Hypnotic. A safe and prompt analgesic in Neuralgia and Influenza. Antipyretic in Phthisis and Typhoid.

ARGONIN

(Argentum Casein.)

Antiseptic, Germicide and Gonocide. Especially serviceable in Gonorrhea, Ophthalmias and wherever the silver salts are indicated.

NOVOCAIN

(P-aminobenzoyl-diethylamino-ethanol-hydrochloride.) $\left(C_6H_4 <^{NH_2\ (1)}_{COO\ C_2H_4\ N\ (C_2H_5)_2\ HCl\ (4)}\right)$

A new absolutely nonirritant Local Anesthetic. Novocain is six times less toxic than cocain and two or three times less than its substitutes, in doses producing an equal degree of anesthesia.

ISOFORM

(Para-iodo-anisol.)

A new continuous Antiseptic and Deodorant. Externally Isoform is absolutely nonirritant to the unbroken skin, causing no eczema. It has but a faint odor resembling that of anise. Isoform can also be administered internally, in doses of from 0.52 to 2.0 grams (8 to 30 grains).

ANAESTHESIN

(Para-amido-benzoic acid ethylester.)

An odorless, Nonpoisonous Local Anesthetic when applied to wounds. Used also internally in gastric disturbances, such as Hyperesthesia, Ulcer and Carcinoma.

VALYL

(Diethylamid of Valerianic Acid.)

Antispasmodic and Antineuralgic. Successfully used in the treatment of Hysteria; Neurasthenia; Hypochondriasis; Traumatic Neurosis and Nervous Cardiac affections; Hemicrania and Neuralgia; Menstrual disturbances; Sleeplessness and Nervous Disorders.

Specify NORWOOD'S Tincture of Veratrum Viride

In cases in which the heart is at all rebellious, it is an EFFECTIVE CONTROLLING POWER, of intrinsic value and unvarying uniformity. It may be relied on to do that which the practitioner has reason to expect that the drug will accomplish. Its remedial powers have been tested and approved for years by the leading medical men of the world and volumes of matter have been contributed to medical literature telling of its value. It is one of the most successful as well as most radical drugs in existence, and it is the physician's duty to specify NORWOOD'S and see that the druggist furnishes it. There are too many worthless and dangerous substitutes that deserve to be discountenanced.

SPECIAL COURSES

Each month we offer a General Course, lasting one month, beginning the first of the month, in which the student may make a selection from all the work of the School. This course includes General Medicine, General Surgery, Gynecology and Abdominal Surgery, Diseases of Children, Dermatology, Eye and Ear Diseases, Throat and Nose Diseases, Electro-Therapeutics and Obstetrics, all illustrated by Clinical teaching. Evening lectures on Anesthetics and Technique will also be a feature of the course (and the Student may, if he so desires, confine himself to any one these departments).

Our faculty is so complete and our clinical material so abundant that we are able practically to conduct a **Special School** in each department and the courses will consist of clinics and lectures extending throughout the entire day, so that every hour of the day may be profitably employed.

The Medical Department *of* Yale University

CHARTERED in 1810 by the joint action of the Connecticut Medical Society and Yale College, this school has graduated classes annually since 1814. ¶ The fundamental sciences of medicine are taught during the first and second years by the methods in vogue in the best schools of sciences; that is by class-room exercises and by laboratory work. The third and fourth years are largely devoted to the facts and theories pertaining to the art of medicine, and to clinical work. Personal training of students in the methods of clinical examination constitute an important part of the curriculum. ¶ The curriculum is carefully graded and is intended to prepare students for their state and hospital examinations as well as to lay a broad foundation for their professional career. The school has well equipped class rooms and laboratories and excellent facilities for clinical teaching at the University Clinic and the New Haven Hospital.

MEDICAL DEPARTMENT OF CORNELL UNIVERSITY

Ithaca and New York City

Founded in 1898 and during the Session of 1905-06 contained 389 students. The first two years of the course are given in duplicate both at Ithaca and New York City, but the last two years are given only in New York. The entrance requirements include Algebra through quadratics; Plane Geometry; three years of English, and two years of Latin or one year of Latin and one year of French, German or Spanish. In addition enough other subjects must be presented to make up the remaining 30 of the 60 count Medical Student Certificate required by the laws of the State of New York as described in Handbook 3 of the Education Department of the State of New York. This Handbook may be obtained on application to the Department in Albany and describes the subjects and credits or "counts" allowed and the dates and places of examinations. The Department accepts as equivalent to these examinations a certificate of having completed at least one year in any reputable academic college or the certificate of the College Entrance Board (provided at least Grade C is obtained) in enough subjects, including those specified above, to aggregate four years of high school work or 60 counts. The advantages offered include division of each class into small sections with recitations in all major subjects throughout the course and abundant laboratory facilities. The clinical teaching is conducted chiefly before these small sections during the third and fourth years and the material is supplied by Bellevue, New York, Presbyterian and other hospitals, and the College Dispensary which occupies half of the building and numbers about 110,000 patients annually in attendance.

Bellevue, probably the most widely known hospital in the United States, is located directly opposite the College and is used extensively in clinical teaching.

The matriculation fee is $5, and tuition, including laboratory fees, averages $200 yearly. Catalogue and other information will be mailed on application to

The fifty-second annual session of the Atlanta College of Physicians and Surgeons begins October 1st, 1906.

With a corps of forty professors and instructors this institution stands second to no medical school in the country, and is an honor to the profession and the State of Georgia. The public will no longer accept the services of an incompetent physician; he must be a man trained in all the branches of medical science, and such a man can only be trained in a school fully equipped in every department.

We are pleased to state that Mr. Andrew Carnegie has recently given the institution a large sum of money, and the Board of Trustees have set aside a building to be known as the Carnegie Pathological Institute, which will contain three large laboratories, each equipped with an ample number of microscopes, together with all the modern apparatus and appliances for the cultivation of pathogenic organism. The students are encouraged to do work in this department.

Four years are required, the last of which is devoted largely to clinical and practical work.

Our students have access to the Grady Hospital and all the principal infirmaries and hospitals in the city. The new and commodious building, that is now being erected, will be finished, equipped and ready for occupancy by October 1st. One feature of the new building will be a gymnasium with shower baths. Here the student will be taught the use and application of exercises for various diseases. For a catalogue or information concerning the College, address

COLLEGE OF MEDICINE
MEDICAL DEPARTMENT OF
SYRACUSE UNIVERSITY

History.—The famous Fairfield (N. Y.) Medical School was organized in 1812. In 1841 part of its faculty went to the Geneva Medical School and the other part to Albany. The fame of the Geneva School was soon well established; of the learning and eloquence of her lecturers the graduates always speak with enthusiasm. In 1872 the Geneva School became the Medical Department of Syracuse University. With advancement in Medical Education the Syracuse School has supplemented its lecture courses by recitations and practical work in laboratories and hospital wards, and has arranged all as a four-years' graded curriculum—steadily keeping its standard of admission and scholarship in advance of the legal requirements of the State.

Main Building.—The main college building, with its attractive lecture rooms, numerous, spacious and well equipped laboratories, an ample cold storage plant for the preservation of anatomical material (a separate building for animals used in the physiological and bacteriological laboratories), two large study rooms for men and women respectively, modern lavatories, individual students' lockers, photographic dark rooms and an electric plant for running ventilating fans, elevator, physiological laboratory apparatus and supplying incandescent lighting (especially important in the dissecting room), and arc lights for lantern, microscopic projection and photo micrography, is one of the better appointed medical schools in the United States.

College Library.—A rapidly growing medical library of now more than 6,000 volumes, and a large number of the more important current medical and scientific periodicals, is accessible to students of the college.

Hospitals and Dispensary.—Two large general hospitals, a children's hospital, a large county orphan asylum, an extensive state institution for feeble minded children and a city free dispensary, are at the service of the faculty and are all utilized for purposes of clinical instruction.

Faculty.—In the faculty are enthusiastic, progressive teachers who strive to advance medical education by accepting as students only well prepared men and women, and insisting upon undergraduates continuing capable and doing steadily step by step the prescribed work of the curriculum. The work is so graded, however, that willing and industrious students of average ability experience little difficulty in meeting these demands.

University Athletics.—An excellent gymnasium, with tub, shower and plunge baths for both men and women; a first-class athletic field, with a quarter-mile cinder track and a grand stand, are at the service of all university students. Fee, $6.00 annually.

College Fees.—The annual tuition is $125 00 paying in full for didactic and clinical lectures, clinical clerkships, recitations, use of the library, reading rooms and lockers. In addition there are laboratory fees amounting to $100.00 in the four years' course, and a graduation fee of $25.00. The annual matriculation fee of $5.00 is the only other charge.

Rooms and Board.—Good rooms for one student can be had in Syracuse for from $6.00 upward per month, and the same rooms occupied by two students for from $8.00 upward per month. By clubbing together in clubs of from six to twelve students, good board can be had for $2.50 per week per student.

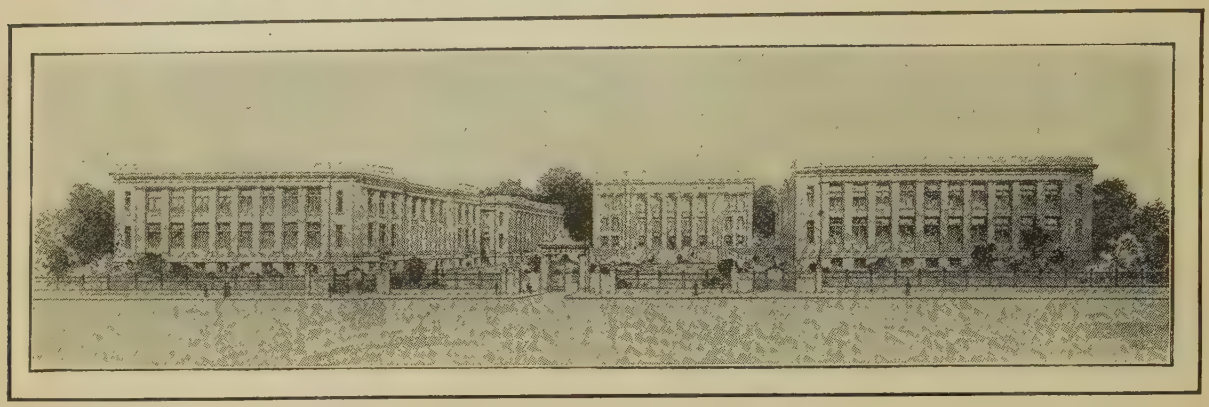
Department of Medicine and Surgery
University of Michigan

The curriculum of this medical school covers a period of four years of nine months each.

The minimum requirements for admission demand graduation from an approved high-school with certified credentials showing that the applicant has completed three units of English and rhetoric; two units of history; three units of mathematics (including one unit of trigonometry); one unit each of physics, chemistry and biology (including laboratory work); two units of either German or French, and two units of Latin.

The first two years of the curriculum are devoted to the more strictly scientific branches, a portion of the forenoon of each day being occupied with lectures and recitations, and the remainder of the day with laboratory work. The third year the student is engaged in laboratory work in pathology, clinical demonstration courses, internal medicine, general surgery and obstetrics. The fourth year is largely devoted to clinical work.



A combined course in collegiate and medical studies is offered, leading to the degrees of A.B. and M.D.

THE new buildings, four of which are devoted entirely to laboratory teaching and research, will be ready for use in the fall of 1906. Abundant facilities for general and special clinical instruction in medicine and surgery are afforded by the numerous hospitals of Boston.

COURSE FOR THE DEGREE OF M.D.

A four years' course, open to bachelors of art, literature, philosophy, or science, and to persons of equivalent standing, leads to the degree of M.D. The studies of the fourth year are wholly elective; they include laboratory subjects, general medicine, general surgery, and the special clinical branches. The School-year extends from the first Thursday after the last Wednesday in September to the last Wednesday in June.

GRADUATE COURSES

Throughout the School-year, special courses open to graduates of recognized medical schools are offered in the various subjects of practical medicine and the medical sciences.

SUMMER COURSES

During the summer months, similar courses are open to both medical students and graduates.

RESEARCH WORK

In all the laboratories opportunity is given at all times for properly qualified persons to conduct original investigations.

COURSE OF INSTRUCTION AND FACILITIES

FOUR years of graded instruction are required of candidates presenting themselves for the degree of M. D. The instruction consists in didactic lectures, amply supplemented by clinical teaching at the bedside and in the laboratories and dispensaries. ¶ In addition to the members of the Faculty named above, there is a large corps of experienced instructors who assist the professors in practical work in the laboratories or in bedside work at the hospitals and dispensaries. Every candidate for the degree is personally taught, by dividing the class into small sections, in Clinical Medicine and Physical Diagnosis, Obstetrics and Gynecology, Major and Minor Surgery and Bandaging, Orthopedic Surgery, Diseases of Children, Ophthalmology, Neurology, Otology, Dermatology, Laryngology, and Genito-Urinary Diseases. Ample clinical material is afforded by the Jefferson College Hospital, in which no less than 300 patients are treated daily, and by the Philadelphia and other Hospitals. ¶ Laboratory instruction is given in Medical Chemistry, Pharmacy, Physiology, Clinical Microscopy, Anatomy, and Histology, Embryology, and in Operative obstetrics, Surgery, Pathology and Hygiene. ¶ Daily instruction in the practical branches is given in the new Hospital of the College, is a special feature of the course in the second and third and fourth years, and is without extra charge. ¶ Special Laboratory instruction is given to graduates of medicine in Bacteriology and Pathology. ¶ The Annual Announcement, giving full particulars, will be sent on application to

FACILITIES AND INSTRUCTION

ANNUAL sessions begin in October of each year and continue eight months. The course of instruction consists of didactic lectures and quizzes supplemented by clinical teaching in each year. ***Opportunity*** for ***clinical study*** is ***unequalled.*** Classes are divided into ***small sections*** for individual instruction. Anatomical, chemical and pathological laboratories are modern, and completely equipped for thorough study. Seniors receive personal instruction at the bedside daily in the wards of Mercy, St. Luke's, Wesley Pavilion and Chicago Lying-In Hospitals. Candidates for the degree of M.D. must have completed four years of graded instruction. Over two-thirds of the graduating class obtain hospital appointments each year. Special advantages for post-graduate instruction in bacteriology and pathology during the summer months.

UNIVERSITY OF PENNSYLVANIA

1765 DEPARTMENT OF MEDICINE 1907

Undergraduate Department

The One Hundred and Forty-second Session will begin September 27, 1907. The course, which covers a period of four years, of eight and one-half months each, is eminently practical, and properly graded, beginning with laboratory instruction in the fundamental subjects, and concluding with a comprehensive system of clinical instruction, terminating in the Fourth Year with the assignment of students as clinical clerks in the Hospital.

The University Hospital, with a capacity of 300 beds is the clinical laboratory of the Department. The material of the Hospital is used exclusively for the benefit of the students of this school, the students of the third and fourth years spending much of their time in its wards, clinics, and out-patient departments.

The Philadelphia Hospital is so situated, adjoining the University Campus, that it is quite as accessible as the University Hospital. The material of this hospital with its 1000 beds offers unusual facilities for practical instruction in the clinical branches.

The Maternity Pavilion on the University Campus and its branch department in the "slums" supply an abundance of material, affording to each student the opportunity of personally attending a number of maternity cases. A large proportion (90 per cent of the present graduating class) secure positions as Resident Physicians in Hospitals within a week of their graduation.

Summer School for Graduates

The clinics and laboratories of this Department are open throughout the year for the benefit of those who wish to engage in graduate work. For those whose time is more limited, a comprehensive course is given during the Summer months. This course is designed to meet the needs of the practitioner.

Rush Medical College

IN AFFILIATION WITH

The University of Chicago

Rush Medical College offers a four or five year course in medicine leading to the degree of M. D. or of M. D. *cum laude*.

The Requirements for Admission comprise a four year high school course plus two years in a recognized literary or scientific college, the college work to include a thorough course in college chemistry (inorganic, organic and qualitative analysis), trigonometry, college physics, general biology, and a reading knowledge of German or of French. These branches may be taken at the University of Chicago or any other College or University of equal rank.

Fundamental Branches at the University of Chicago.—The courses in the fundamental branches are offered only at the University of Chicago, in the spacious Hull Biological Laboratories, by instructors whose time is wholly devoted to teaching and investigation in their respective lines.

The Clinical Branches are taught at Rush Medical College, with its Central Free Dispensary and the Presbyterian Hospital, and in the Cook County Hospital, the West Side Hebrew Dispensary, and other hospitals in the vicinity of the College.

A Combined Course for the Bachelor's Degree and the Degree of M.D., is so arranged that every student may secure both degrees.

A Fifth Year is offered, consisting of an interneship in an approved hospital or of special graduate work, leading to the degree of M.D. *cum laude*.

Practitioners are admitted to all courses, especial effort being made to adapt these courses to physicians.

The Quarter System. The college year is divided into four quarters, beginning respectively about June 16, and on the first day of October, January and April. Three quarters residence constitute an annual session and a student may enter at the beginning of any quarter.

CONSTITUTION AND BY-LAWS.

Constitution.

ARTICLE 1.—TITLE.

The name and title of this organization shall be The American Medical Association.

ARTICLE 2.—OBJECT.

The object of this Association shall be to promote the science and art of medicine. Contributing to this end, the Association shall endeavor to unite into one compact organization the medical profession of the United States for the purpose of fostering the growth and the diffusion of medical knowledge, of promoting friendly intercourse among American physicians, of safeguarding the material interests of the medical profession, of elevating the standard of medical education, of securing the enactment and the enforcement of just medical laws, of enlightening and directing public opinion in regard to the broad problems of hygiene, and of representing to the world the practical accomplishments of scientific medicine.

ARTICLE 3.—MEMBERSHIP.

The membership of this Association shall consist of such members of the Constituent Associations and of such medical officers of the Army, of the Navy and of the U. S. Public Health and Marine-Hospital Service as shall make application in accordance with the by-laws hereinafter provided.

ARTICLE 4.—CONSTITUENT ASSOCIATIONS.

Those state and territorial medical associations which have, or which hereafter may become organized in accordance with the general plan of organization of the American Medical Association, and which have declared by resolution their allegiance to the said American Medical Association, and which shall agree with other state and territorial medical associations to the formation and the perpetuation of the House of Delegates of the American Medical Association shall be recognized as Constituent Associations.

ARTICLE 5.—HOUSE OF DELEGATES.

Section 1. There shall be a business body known as the House of Delegates of the American Medical Association. It shall consist of delegates elected by the Constituent Associations, by the scientific sections of the American Medical Association, from the medical departments of the Army and of the Navy, and from the U. S. Public Health and Marine-Hospital Service, in accordance with the by-laws hereinafter provided. It shall represent the delegated powers of the members of the American Medical Association, and shall be the national representative body of the Constituent Associations. It shall elect the general officers of the Association and a board of nine trustees, and shall transact all the general business of the Association of a public, professional, scientific or other nature that is not otherwise provided for. The trustees shall be members of the House of Delegates without the right to vote.

Sec. 2. Number. The total voting membership of the House of Delegates shall not exceed 150. The medical departments of the Army and of the Navy, and the U. S. Public Health and Marine-Hospital Service and the scientific sections shall each be entitled to one delegate, and the remainder shall be apportioned among the Constituent Associations in proportion to their actual active membership as hereinafter provided in the by-laws.

ARTICLE 6.—SECTIONS.

In order to systematize the scientific work of this Association, there shall be formed sections, each of which shall be devoted to one of the recognized branches into which the science and art of medicine are for convenience divided. New sections may be created or existing sections discontinued by the House of Delegates.

ARTICLE 7.—BRANCHES.

The House of Delegates may create such branch organizations as may be deemed essential to promote the welfare of the medical profession.

ARTICLE 8.—ANNUAL SESSIONS.

The Association shall hold an annual session at a time and place to be fixed by the House of Delegates. The time and place of session may, however, be changed by the unanimous action of the Board of Trustees at any time prior to two months from the time selected for the session.

ARTICLE 9.—OFFICERS.

Section 1. The general officers of this Association shall be a president, four vice-presidents, a general secretary and a treasurer.

Sec. 2. These officers shall be elected annually by the House of Delegates, to serve for one year, or until their successors are elected and installed.

Sec. 3. No member of the House of Delegates shall be eligible to the office of president or vice-president.

ARTICLE 10.—BOARD OF TRUSTEES.

Section 1. The Board of Trustees shall have charge of the property and of the financial affairs of the Association.

Sec. 2. Three trustees shall be elected annually by the House of Delegates, each to serve for a period of three years.

ARTICLE 11.—FUNDS.

Funds shall be raised by an equal assessment of not more than ten dollars annually on each of the members; from the Association's publications, and in any other manner approved by the Board of Trustees. Funds may be appropriated by the Board of Trustees to defray the necessary expenses of the Association; to enable standing committees to fulfil their respective duties and to conduct their correspondence; to encourage scientific investigations by the giving of prizes and awards of merit; to carry on its publications, and for any other purpose approved by the Board of Trustees or recommended by the House of Delegates.

ARTICLE 12.—AMENDMENTS.

The House of Delegates may amend any article of this Constitution at any annual ses-

sion, provided the proposed amendment shall not be acted on until the annual session next following that at which it was introduced, and provided that three-fourths of the voting members registered at the session at which action is taken vote in favor of such change or amendment.

By-Laws.

Book I. Membership.

CHAPTER I.—QUALIFICATIONS FOR MEMBERSHIP.

Section 1. Membership ; How Obtained. A member in good standing of the constituent association of the state in which he resides may become a member of the American Medical Association by presenting to the General Secretary: (1) Satisfactory evidence of the above qualifications; (2) written application for membership on the prescribed form; (3) the annual dues. Commissioned medical officers of the United States Army, United States Navy and United States Public Health and Marine-Hospital Service shall be members; they shall not be required to pay annual dues, nor shall they receive The Journal of the Association unless on personal subscription.

Sec. 2. Membership Must Be Retained in Constituent Association. Membership in this Association shall continue only so long as the individual retains one of the qualifications indicated in Section 1 of this Chapter. When the general secretary shall be officially informed that a member has forfeited his qualification, it shall be his duty to remove the name of such person from the roll of membership in this Association and to notify him of the action taken together with the reason therefor.

Sec. 3. Membership Restored. A physician who has forfeited his membership shall be reinstated on his request by the general secretary when satisfactory evidence of qualification has been presented.

Sec. 4. Delinquency; Dues Must Be Paid. Any member who shall fail to pay his annual dues for one year, unless absent from the country, shall be dropped from the roll of members; provided, that due notice shall be previously given to the member by the general secretary. Any member who has been suspended for non-payment of dues shall be restored only when all his dues have been paid.

CHAPTER II.—REGISTRATION OF MEMBERS.

Section 1. Registration. No member shall take part in the proceedings of the Association or of any of the sections until he has registered his name and address with the proper officer or committee and has paid his annual dues for the current year.

Sec. 2. Section Affiliation. A member desiring to take part in the scientific work of the Association shall indicate, when registering, the section in which he wishes to be enroled. No member shall be registered in more than one section at any annual session.

CHAPTER III. — DENTAL, PHARMACEUTICAL, ASSOCIATE AND HONORARY MEMBERS.

Section 1. Dental Members. Dentists who hold the degree of D.D.S. from a reputable dental college, and who are members of a recognized local or state dental society, may be admitted as dental members on recommendation of the officers of the Section on Stomatology and on approval by a majority vote of the Section. The names of such members shall be sent to the general secretary by the secretary of the Section.

Sec. 2. Pharmaceutical Members. Reputable pharmacists who are active members of the American Pharmaceutical Association may be admitted as pharmaceutical members on recommendation of the officers of the Section on Pharmacology and Therapeutics and on approval by a majority vote of the Section. The names of such members shall be sent to the general secretary by the secretary of the Section.

Sec. 3. Privileges. Dental and pharmaceutical members shall enjoy the same privileges as regular members, and shall be subject to the same conditions.

Sec. 4. Forfeiture of Membership. Membership obtained under Sections 1 and 2 of this Chaper may be declared forfeited by the House of Delegates for reasons considered sufficient by that body.

Sec. 5. Associate Members. Representative teachers and students of the allied sciences, and distinguished physicians of foreign countries, may be invited by the general officers, or by the officers of a section, to attend the annual session and to take part in the scientific work. They shall be designated associate members. They shall hold their connection with this Association until the close of the annual session to which they are invited and shall be entitled to participate in the scientific and social functions of the Association.

Sec. 6. Honorary Members. Honorary members shall be physicians of foreign countries who have risen to pre-eminence in the profession of medicine. They may be elected by the House of Delegates, on nomination of a section, but not more than three honorary members shall be elected in any one year.

Sec. 7. Members From Adjoining Countries. —The House of Delegates may provide for membership under proper restriction, from among the members of recognized medical societies of neighboring countries.

Book II. Delegates.

CHAPTER IV. — QUALIFICATIONS, TERM, APPORTIONMENT AND REGISTRATION OF DELEGATES.

Section 1. Delegates Must Have Been Members of A. M. A. Two Years. No one shall serve as a member of the House of Delegates who has not been a member of the American Medical Association for at least two years.

Sec. 2. Delegates Elected for Two Years. Members of the House of Delegates shall be elected for a term of two years, and Constituent Associations entitled to more than one representative are requested so to elect their representatives that one-half, as near as may be, shall be elected each year, except that delegates elected by the sections shall hold office for but one year, and appointments made from the United States Army, the United States Navy and the United States Public Health and Marine-Hospital Service shall be for one year.

Sec. 3. Apportionment of Delegates. At the annual session of 1903, and every third year thereafter, the House of Delegates shall appoint a committee of five on reapportionment, of which the president and secretary shall be members. It shall be the duty of this committee to examine the membership lists of the Constituent Associations and to determine therefrom the number of delegates to this Association to which each Constituent Association shall be entitled for the ensuing three years, beginning with the next annual session succeeding that at which the reapportionment is approved by the House of Delegates. Until such an apportionment results in returning in excess of 135 delegates from the Constituent Association, the committee shall apportion to each Constituent Association one delegate to every 500, or fraction thereof, of its active members. The number of delegates allotted to each Constituent Association shall prevail until the next triennial apportionment, whether its membership increases or decreases.

Sec. 4. Registration of Delegates. Every delegate from a Constituent Association, before being permitted to take part in the proceedings of the House of Delegates, must deposit with the general secretary, or with other designated officer or committee, a certificate signed by the president and secretary of his Constituent Association, stating that he has been regularly and legally elected a delegate to the American Medical Association for a definitely stated term; and the delegates from the sections shall present credentials signed by the chairmen and the secretaries of their respective sections. Delegates from the government services must present credentials from the surgeons-general of the respective departments.

CHAPTER V.—PROCEDURE OF HOUSE OF DELEGATES.

Section 1. Order of Business. The following shall be the order of business unless otherwise ordered:

1. Call to order by the president.
2. Reading and adopting the minutes.
3. Reports of officers.
4. Reports of committees.
5. Unfinished business.
6. New business.

Sec. 2. Limit of Time for Introduction of New Business. No new business shall be introduced into the House of Delegates on the fourth day of the annual session, unless with unanimous consent; and such new business, whether in the form of a resolution, memorial or otherwise, shall require a unanimous vote for final action.

Sec. 3. Rules of Order. The House of Delegates shall be governed by Roberts' Rules of Order when not in conflict with these by-laws or with the rules of the house.

Sec. 4. Quorum. Twenty voting members of the House of Delegates shall constitute a quorum for the transaction of business.

CHAPTER VI.—MEETINGS OF THE HOUSE OF DELEGATES.

Section 1. Regular Session. The House of Delegates shall meet annually on the day preceding the opening of, and at the same place as, the annual session of the Association.

Sec. 2. Special Sessions. Special sessions of the House of Delegates shall be called by the president on written request of 26 delegates representing a majority of the Constituent Associations, by mailing a written or printed notice to the last known address of each delegate at least twenty days before such special session is to be held, in which shall be specified the time and place of meeting and in general terms the objects of such special session, and no other business shall be transacted thereat.

CHAPTER VII. — NOMINATION, ELECTION AND INSTALLATION OF OFFICERS, TRUSTEES, HONORARY MEMBERS AND ORATORS.

Section 1. Nominations. Nominations for office, except that of Treasurer, shall be made orally, but no nominating speech shall exceed two minutes in length. Any nominee receiving a majority of the votes cast shall be declared elected. The Treasurer shall be nominated by the Board of Trustees, and the orators shall be nominated, respectively, by the Sections on Practice of Medicine, on Surgery and Anatomy and on Hygiene and Sanitary Science.

Sec. 2. All elections shall be by ballot, and a majority of the votes cast shall be necessary to elect. In case no nominee receives a majority of the votes on the first ballot, the nominee receiving the least number of votes shall be dropped and a new ballot held. This procedure shall be continued until one of the nominees receives a majority of all votes cast, when he shall be declared elected.

Sec. 3. Time of Election. The election of officers shall be the first order of business of the House of Delegates after the reading of the minutes on the afternoon of the third day of the annual session.

Sec. 4. Honorary Members. Nominations for honorary membership from the sections shall be referred without debate to the Committee on Sections and Section Work, which shall consider the relative scientific attainments and professional character of the nominees, and shall report its conclusions to the House of Delegates for action. The election of honorary members shall immediately follow the election of officers.

Sec. 5. Orators. The House of Delegates shall elect annually three members to deliver addresses in the General Meetings of the next ensuing annual session—one on some topic or topics relating to general medicine, one to general surgery, and one to state medicine.

Sec. 6. Installation. The general officers of the Association, except the president, shall be installed at the close of the last meeting of the annual session at which they are elected.

Sec. 7. Installation of the President. The president shall be installed at the opening General Meeting of the annual session following that at which he was elected.

Book III. Officers, Trustees and Committees.

CHAPTER VIII.—DUTIES OF OFFICERS.

Section 1. President. The president shall preside at the General Meetings and at the meetings of the House of Delegates, and shall perform such duties as custom and parliamentary usage require. On the morning of the first day of the annual session following his election he shall deliver an address at the

General Meeting not exceeding forty minutes in length on such matters as he may deem of importance to the Association. He may at any time make suggestions to the General Meeting, to the House of Delegates or to standing or special committees, provided such suggestions are made in writing.

Sec. 2. Vice-Presidents. The vice-presidents shall assist the president in the performance of his duties; during his absence, or at his request, one of them shall officiate in his place. In case of the death, resignation or removal of the president, the vacancy shall be filled by the ranking vice-president.

Sec. 3. General Secretary. The general secretary shall give due notice of the time and place of all annual and special sessions of the Association and of the House of Delegates by publishing the same in The Journal of the American Medical Association. He shall keep in separate books the minutes of the General Meetings and of the House of Delegates. He shall notify members of committees of their appointment and of the duties assigned to them. It shall be his duty to verify the credentials of members of the House of Delegates and to provide a registration book for them, in which shall be recorded the name of each delegate in attendance at each session, together with that of the association, government service or section which he represents. He shall also prepare a roll of the delegates attending each session to facilitate voting by roll-call. He shall prepare for publication the official program of each session, and shall perform such other duties as pertain to his office or as may be directed by the Association, the House of Delegates or the Board of Trustees. The secretary's salary shall be fixed by the Board of Trustees.

Sec. 4. Treasurer. The treasurer shall be the custodian of all moneys, securities and deeds belonging to the Association which may come into his possession and shall hold the same subject to the direction and disposition of the Board of Trustees. He shall give to the Board of Trustees a suitable bond for the faithful performance of his trust and shall receive for his services a salary to be fixed by the Board of Trustees.

Sec. 5. All business of each annual session shall be completed by the officers (including section officers), who have served through the session.

CHAPTER IX.—BOARD OF TRUSTEES.

Section 1. Board of Trustees. The Board of Trustees shall have charge of all properties and of the financial affairs of the Association. At the first meeting of the board after the annual session of the Association it shall organize by electing a chairman and a secretary, and the chairman shall appoint such committees as may be necessary or desirable. It shall be the duty of this board to provide for and to superintend the publication of The Journal of the American Medical Association, and of all proceedings, transactions and memoirs of the Association. It shall have full discretionary power to omit from The Journal of the American Medical Association, in part or in whole, any paper that may be referred to it by any of the sections. It shall appoint a general manager and an editor of The Journal, which two positions may be held by one person, and such assistants as may be necessary, and shall determine their salaries and the terms and conditions of their employment. All resolutions or recommendations of the House of Delegates pertaining to the expenditure of money must be approved by the Board of Trustees before the same shall become effective. During the annual session of the Association the board shall hold meetings as often as may be deemed necessary by the chairman, and all matters referred to it by the House of Delegates shall be reported on within twenty-four hours, if so requested by the house. The Board of Trustees shall have the accounts of the treasurer and of The Journal office audited annually or oftener, if deemed necessary, and shall make an annual report on the same to the House of Delegates, which report shall also specify the character and cost of all the publications of the Association during the year and the amount of all property belonging to the Association. In case of a vacancy in the office of treasurer or secretary on account of death or otherwise, the vacancy shall be filled by the Board of Trustees until the next annual session of the House of Delegates. The Board of Trustees shall fix the salary of the secretary and of the treasurer. Regular meetings of the board shall be held immediately after the annual session of the Association, and on the first Friday in the month of February of each year. Special meetings of the board may be called at any time by the chairman, or by five members of the board, by mailing a written or printed notice to the last known address of each trustee, at least five days before such meeting is to be held, in which shall be specified, in general terms, the object of such special meeting, and no other business shall be transacted thereat; provided, that if at any time a meeting of the board be held at which all the trustees are present, or the proceedings of which are approved in writing by every member of the board, said meeting and proceedings shall be valid, without any previous notice having been given. Five members of the board shall constitute a quorum.

Sec. 2. The Board of Trustees shall have full control of all arrangements for the annual sessions and shall provide meeting places for the Association, House of Delegates and the various sections. It shall also have control of all exhibits. The Board of Trustees, in their discretion, may appoint a local committee of arrangements, which shall be at all times under the control of the Board of Trustees.

CHAPTER X.—COMMITTEES.

Section 1. Classification of Committees. Committees shall be classified as (a) Standing Committees, (b) Reference Committees, and (c) Special Committees. These committees shall be nominated by the president and elected by the House of Delegates, unless otherwise provided.

Sec. 2. Reference committees shall be nominated from among the members of the House of Delegates, but any member of the Association shall be eligible to serve on standing or special committees. All members of committees who are not members of the House of Delegates shall have the right to present their reports in person to the House of Delegates and to participate in the debate thereon, but shall not have the right to vote.

Sec. 3. Standing Committees shall be the following:

(a) A Judicial Council.

(b) A Committee on Medical Legislation.

(c) A Committee on Transportation and Place of Session and

(d) A Council on Medical Education.

Sec. 4. Judicial Council. The Judicial Council shall be composed of five members, one to be elected to serve for one year, one for two years, one for three years, one for four years and one for five years; thereafter one shall be elected annually to serve for five years. It shall organize by electing a chairman and a secretary. The latter shall keep a permanent record of its proceedings, shall conduct all correspondence, etc. The council shall hold such meetings during the annual session and during the year as it may deem necessary. Three members shall constitute a quorum. It shall make an annual report of its proceedings to the House of Delegates. To this council shall be referred all questions, complaints, protests and matters of an ethical nature. When such complaints, protests, etc., concern an individual's relations with his local society, they shall be considered by this council only after the same shall have been referred to the Constituent Association concerned or on an appeal from such Constituent Association. Its decisions shall be subject to appeal to the House of Delegates.

Sec. 5. Committee on Medical Legislation. The Committee on Medical Legislation shall consist of three members, one to be elected for one year, one for two years, and one for three years, and thereafter one shall be elected annually to serve for three years. The committees shall have power to co-operate with the officers of the state and local societies, and with the chief officers of the U. S. Army and of the Navy, and the U. S. Public Health and Marine-Hospital Service, to create a National Legislative Council and a National Auxiliary Congressional Committee, and to make such rules not inconsistent with the Constitution and By-Laws of this Association as it may deem desirable for their government. It shall be the duty of the committee to represent before Congress and elsewhere the wishes of the Association regarding any proposed legislation that in any respect bears on the promotion and the preservation of the public health or on the material or moral welfare of the medical profession. This committee shall invite to a conference once in each year, or oftener if need be, the auxiliary committee herein created, at which shall be considered questions of national and state legislation, with the view of uniting all the influences of the profession of the country in support of proper legislation and of securing uniformity so far as may be possible and expedient. The Committee on Legislation shall report to the House of Delegates at each annual session its proceedings during the previous year, and shall recommend such action in respect to pending legislation as it shall deem proper.

Sec. 6. Committee on Transportation and Place of Session. The Committee on Transportation and Place of Session shall consist of five members. The chairman shall be elected to serve for three years; the other four members shall be appointed by the president annually. It shall secure railroad rates for the annual session and shall publish the same in The Journal of the American Medical Association sufficiently early to enable all who desire to attend the annual session to obtain necessary information. It shall recommend to the House of Delegates a place at which to hold the next annual session, after due consideration of the question of availability, means of transportation, railroad rates, etc.

Sec. 7. Council on Medical Education. The Council on Medical Education shall consist of five members. One member shall be elected to serve one year, one for two years, one for three years, one for four years, and one for five years. Thereafter one member shall be elected each year to serve five years. The council shall organize, shall elect a chairman and secretary, and shall adopt such regulations for the government of its actions as it deems expedient. It shall expend money or contract financial obligations only as shall be authorized in writing by the Board of Trustees.

The functions of the Council on Medical Education shall be:

1. To make an annual report to the House of Delegates on the existing conditions of medical education in the United States.

2. To make suggestions as to the means and methods by which the American Medical Association may best influence favorably medical education.

3. To act as the agent of the American Medical Association under instructions of the House of Delegates in its efforts to elevate the standard of medical education.

Sec. 8. Reports of Standing Committees. Reports of standing committees shall, as far as possible, be transmitted to the general secretary ten days before the annual session, who shall have them printed for distribution to the members of the House of Delegates at the first meeting of the annual session.

Sec. 9. Special Committees. Special committees may be created by the House of Delegates to perform the special functions for which they are created. They shall be appointed by the officer presiding over the meeting at which the committee is authorized.

Sec. 10. Reference Committees. (a) Immediately after the organization of the House of Delegates at each annual session the president shall appoint from among its members such committees as may be deemed expedient by the House of Delegates. Each committee shall consist of five members, unless otherwise provided, the chairman to be specified by the president. The members of these committees shall serve during the session at which they are appointed.

(b) To the appropriate committee shall be referred resolutions, measures and propositions presented to the House of Delegates before final action shall be taken, unless otherwise unanimously ordered by the House of Delegates.

(c) Each reference committee shall as soon as possible after the adjournment of each meeting, or during the meeting, if necessary, take up and consider such business as may have been referred to it, and shall report on the same at the next meeting, or when called on to do so. Three members shall constitute a quorum.

(d) The following committees are hereby provided:

(1) A Committee on Sections and Section Work, to which shall be referred all business relating to the sections.

(2) A Committee on Rules and Order of Business, to which shall be referred all matters regarding rules governing the action, methods

of procedure and order of business of the House of Delegates.

(3) A Committee on Medical Education, to which shall be referred all matters relating to medical colleges and medical education. (The members of the Council on Medical Education shall be members ex-officio of this committee.)

(4) A Committee on Legislation and Political Action, to which shall be referred all matters relating to state and national legislation, memorials to legislatures, to the United States Congress, to the President of the United States, etc. (The members of the National Committee on Medical Legislation shall be members ex-officio of this committee.)

(5) A Committee on Hygiene and Public Health, to which shall be referred all matters relating to hygiene, public health, etc.

(6) A Committee on Amendments to the Constitution and By-Laws, to which shall be referred all business relating to the subject.

(7) A Committee on Reports of Officers, to which shall be referred the president's address and the secretary's and trustees' reports.

(8) A Committee on Credentials, to which shall be referred all questions regarding the registration and the credentials of delegates.

(9) A Committee on Miscellaneous Business, to which shall be referred all business not otherwise disposed of.

Book IV. Scientific Work.

CHAPTER XI.—GENERAL MEETINGS.

Section 1. Time of Meetings. The General Meetings shall be held at 10:30 a. m and 7:30 p. m. of the first day of the annual session, and at 7:30 p. m. of the two subsequent days. Each General Meeting shall be presided over by the president or, in his absence or at his request, by one of the vice-presidents.

Sec. 2. Addresses at General Meeting. Before the opening General Meeting shall be delivered the address by the president, whose recommendations shall thereon go to the House of Delegates for action, and before each following meeting such addresses as may be provided for. None of these addresses shall exceed thirty minutes in its delivery.

Sec. 3. Order of Business. The order of business of the first, or opening, General Meeting shall be as follows:

1. The calling of the meeting to order by the president, or, in his absence, by one of the vice-presidents.
2. Prayer.
3. Address of welcome and response.
4. The report of the Committee of Arrangements.
5. Introduction and installation of the president-elect.
6. The annual address of the president.
7. Adjournment.

CHAPTER XII.—SECTIONS.

Section 1. Titles of Sections for Scientific Work. The American Medical Association shall be divided into the following sections:

1. Practice of Medicine.
2. Surgery and Anatomy.
3. Obstetrics and Gynecology.
4. Ophthalmology.
5. Laryngology, Otology and Rhinology.
6. Diseases of Children.
7. Pharmacology and Therapeutics.
8. Pathology and Physiology.
9. Stomatology.
10. Nervous and Mental Diseases.
11. Cutaneous Medicine and Surgery.
12. Hygiene and Sanitary Science.

Sec. 2. Officers of Sections. The officers of each section shall consist of a chairman, a vice-chairman and a secretary. These shall serve for one year or until their successors are elected and qualified; provided, that each section may elect its secretary to serve a longer time at its discretion. Each section shall also elect annually one representative and an alternate to the House of Delegates of the American Medical Association to serve one year.

Sec. 3. Election of Officers. The election of officers shall be the first order of business of the morning meeting of the third day of each annual session. To participate in the election of any section a member must have indicated on registering that he desires to affiliate with such section, and must have recorded his name and address on the section register book. The Section on Practice of Medicine, on Surgery and Anatomy and on Hygiene and Sanitary Science shall each nominate of their section one to deliver at the ensuing annual session, respectively, the oration on practice of medicine, the oration on surgery and the oration on state medicine.

Sec. 4. Duties of the Section Officers. (a) Chairman. The chairman shall preside at the meetings of the section and shall perform such duties as usually belong to such an office, or as may be provided by the by-laws of the section. He shall co-operate with the secretary in arranging the program, and shall see that proper arrangements are made for his section at the annual session.

(b) Vice-Chairman. The vice-chairman shall assist the chairman in the performance of his duties and shall preside in his absence, or at his request.

(c) Secretary. The secretary shall keep a record of the proceedings of the section in a book provided for such purpose; shall, with the co-operation of the chairman, arrange the program; and shall, at least thirty days before the annual session, forward it to the general secretary for insertion in the official program, and shall perform such other duties pertaining to his office as may be provided by the by-laws of the Association or of the section.

Sec. 5. Executive Committee. Each section shall have an executive committee, which shall consist of the last three retiring chairmen. In case of absence from the session of a member of the executive committee the vacancy shall be filled by the chairman. It shall examine and pass on all papers read before the section, and shall indorse for publication only those that are of scientific or of practical value, and which will reflect credit on the section before which they were read.

Sec. 6. Meetings. Each section shall hold its first meeting at 2 p. m. of the first day of the annual session, and each subsequent day at 9 a. m. and at 2 p. m. until the program is completed, or as the section may decide; provided, that a section shall hold no meeting that will conflict with a General Meeting.

Sec. 7. Who May Take Part in Section Work. The right to present papers before a section, to take part in its discussions and to participate in its business and scientific deliberations shall be limited to members, to dental members and to pharmaceutical members. Associate members shall have the privilege of participating in the scientific work.

Sec. 8. Honorary Members. Each section at each annual session may at the time of the election of its officers, nominate for honorary membership in the American Medical Association a physician of a foreign country who has risen to pre-eminence in the profession of medicine. The secretary shall immediately notify the general secretary of such nomination.

Sec. 9. Time at Which Titles Must Be In. Titles of papers to be presented to the section must be in the hands of the secretary of the section at least thirty-five days before the first day of the annual session. The title must be accompanied with an abstract of the paper which shall contain not less than 30 or more than 150 words and with the author's estimate of the time it will take to read his paper.

Sec. 10. Length of Papers and Discussions. The time allowed for the presentation of a paper before a section shall be limited to twenty minutes. No one shall address a section more than once on the same subject, nor for longer than five minutes, except with the unanimous consent of those present.

Sec. 11. Number of Papers on Program. The number of papers, including addresses, on the program of any section shall not exceed forty.

Sec. 12. Can Present Papers Before Only Two Sections.—A member shall have the right to present a paper or papers before only two sections at any annual session. When more than one section is to be addressed, the titles and abstracts of the papers must be submitted to the secretaries of both the sections before which the papers are to be read.

Sec. 13. Section to Provide By-Laws.—Each section may make by-laws for its own government provided that they shall in no way conflict with the Constitution and By-Laws of the American Medical Association.

CHAPTER XIII.—PUBLICATION.

Section 1. Papers Approved for Publication.—No paper shall be published as having been read before a section unless it has received the approval and indorsement of each member of the executive committee of the section before which it was read.

Sec. 2. Papers Must Be Ready for Publication.—Each author shall hand his paper to the secretary of the section immediately after it is read in order that it may be acted on by the executive committee and may be forwarded for publication. The secretary shall indorse thereon that it has been read and shall hand it to the executive committee for its action. All papers approved by the executive committee shall be returned to the secretary of the section, who shall at once forward them to the editor of The Journal.

Sec. 3. Papers "Read by Title." No paper shall be published as having been read before a section unless it has actually been read, or unless for special reasons, when the author has been present and prepared to read the paper, the section shall unanimously vote to have it read by title.

Sec. 4. Papers the Property of the Association.—All papers and reports presented to a section and approved by the executive committee shall become the exclusive property of the Association, provided that the Board of Trustees may permit an author to publish his paper elsewhere than in The Journal of the American Medical Association.

Sec. 5. Official Resolutions Approved by The House of Delegates.—No memorial, resolution or opinion of any character whatever shall be issued in the name of the American Medical Association unless it has been approved by the House of Delegates.

Book V. Amendments.

CHAPTER XIV.—ARTICLES OF INCORPORATION.

The House of Delegates, at any annual session, wherever the same may be held, may instruct the Board of Trustees to make any changes in the articles of incorporation in accordance with the law, which may appear desirable, or which may be made necessary by any change or amendment to the Constitution and By-Laws of this Association.

CHAPTER XV.—AMENDMENTS TO THESE BY-LAWS.

These By-Laws may be amended on a three-fourths vote of the House of Delegates, provided that no amendment shall be acted on till the day following that on which it is introduced; except that the Board of Trustees may, by unanimous vote, make such changes, and such changes only as may be required to adapt them to the rules and regulations of the United States postal authorities.

PRINCIPLES OF MEDICAL ETHICS.

PREFACE.

At the annual meeting of the American Medical Association, held in New Orleans, the House of Delegates unanimously adopted, on May 7, 1903, the "Principles of Medical Ethics" recommended by its committee, and ordered that the following extract from the report of the Special Committee on Revision of the Code of Medical Ethics be printed as an explanatory preface to these "Principles":

"The caption 'Principles of Medical Ethics' has been substituted for 'Code of Medical Ethics.' Inasmuch as the American Medical Association may be conceived to hold a relation to the constituent state associations analogous to that of the United States through its constitution to the several states, the committee deemed it wiser to formulate the principles of medical ethics without definite reference to code or penalties. Large discretionary powers are thus left to the respective state and territorial societies to form such codes and establish such rules for the professional conduct of their members as they may consider proper, provided, of course, that there shall be no infringement of the established ethical principles of this Association.

"Respectfully submitted,

"E. Eliot Harris, Chairman.
"William H. Welch.
"T. J. Happel.
"Joseph D. Bryant."

The American Medical Association promulgates as a suggestive and advisory document the following:

CHAPTER I.—THE DUTIES OF PHYSICIANS TO THEIR PATIENTS.

Section 1. Physicians should not only be ever ready to obey the calls of the sick and the injured, but should be mindful of the high character of their mission and of the responsibilities they must incur in the discharge of momentous duties. In their ministrations they should never forget that the comfort, the health and the lives of those entrusted to their care depend on skill, attention and fidelity. In deportment they should unite tenderness, cheerfulness and firmness, and thus inspire all sufferers with gratitude, respect and confidence. These observances are the more sacred because, generally, the only tribunal to adjudge penalties for unkindness, carelessness or neglect is their own conscience.

Sec. 2. Every patient committed to the charge of a physician should be treated with attention and humanity, and reasonable indulgence should be granted to the caprices of the sick. Secrecy and delicacy should be strictly observed; and the familiar and confidential intercourse to which physicians are admitted, in their professional visits, should be guarded with the most scrupulous fidelity and honor.

Sec. 3. The obligation of secrecy extends beyond the period of professional services; none of the privacies of individual or domestic life, no infirmity of disposition or flaw of character observed during medical attendance, should ever be divulged by physicians, except when imperatively required by the laws of the state. The force of the obligation of secrecy is so great that physicians have been protected in its observance by courts of justice.

Sec. 4. Frequent visits to the sick are often requisite, since they enable the physician to arrive at a more perfect knowledge of the disease, and to meet promptly every change which may occur. Unnecessary visits are to be avoided, as they give undue anxiety to the patient; but to secure the patient against irritating suspense and disappointment the regular and periodical visits of the physician should be made as nearly as possible at the hour when they may be reasonably expected by the patient.

Sec. 5. Ordinarily, the physician should not be forward to make gloomy prognostications, but should not fail, on proper occasions, to give timely notice of dangerous manifestations to the friends of the patient; and even to the patient, if absolutely necessary. This notice, however, is at times so peculiarly alarming when given by the physician, that its deliverance may often be preferably assigned to another person of good judgment.

Sec. 6. The physician should be a minister of hope and comfort to the sick, since life may be lengthened or shortened not only by the acts but by the words or manner of the physician, whose solemn duty is to avoid all utterances and actions having a tendency to discourage and depress the patient.

Sec. 7. The medical attendant ought not to abandon a patient because deemed incurable; for continued attention may be highly useful to the sufferer and comforting to the relatives, even in the last period of the fatal malady, by alleviating pain and by soothing mental anguish.

Sec. 8. The opportunity which a physician has of promoting and strengthening the good resolutions of patients suffering under the consequences of evil conduct ought never to be neglected. Good counsels, or even remonstrances, will give satisfaction, not offense, if they be tactfully proffered and evince a genuine love of virtue, accompanied by a sincere interest in the welfare of the person to whom they are addressed.

CHAPTER II.—THE DUTIES OF PHYSICIANS TO EACH OTHER AND TO THE PROFESSION AT LARGE.

ARTICLE I.—DUTIES FOR THE SUPPORT OF PROFESSIONAL CHARACTER.

Section 1.—Everyone on entering the profession, and thereby becoming entitled to full professional fellowship, incurs an obligation to uphold its dignity and honor, to exalt its standing and to extend the bounds of its usefulness. It is inconsistent with the principles of medical science and it is incompatible with honorable standing in the profession for physicians to designate their practice as based on an exclusive dogma or a sectarian system of medicine.

Sec. 2. The physician should observe strictly such laws as are instituted for the government of the members of the profession; should honor the fraternity as a body; should endeavor to promote the science and art of medicine and should entertain a due respect for those seniors who, by their labors, have contributed to its advancement.

Sec. 3. Every physician should identify himself with the organized body of his profession as represented in the community in which he resides. The organization of local or county medical societies, where they do not exist, should be effected, so far as practicable. Such county societies, constituting as they do the chief element of strength in the organization of the profession, should have the active support of their members and should be made instruments for the cultivation of fellowship, for the exchange of professional experience, for the advancement of medical knowledge, for the maintenance of ethical standards, and for the promotion in general of the interests of the profession and the welfare of the public.

Sec. 4. All county medical societies thus organized ought to place themselves in affiliation with their respective state associations, and these, in turn, with the American Medical Association.

Sec. 5. There is no profession from the members of which greater purity of character and a higher standard of moral excellence are required than the medical; and to attain such eminence is a duty every physician owes alike to the profession and to patients. It is due to the patients, as without it their respect and confidence can not be commanded; and to the profession, because no scientific attainments can compensate for the want of correct moral principles.

Sec. 6. It is incumbent on physicians to be temperate in all things, for the practice of medicine requires the unremitting exercise of a clear and vigorous understanding; and in emergencies—for which no physician should be unprepared—a steady hand, an acute eye and an unclouded mind are essential to the welfare and even to the life of a human being.

Sec. 7. It is incompatible with honorable standing in the profession to resort to public advertisement or private cards inviting the attention of persons affected with particular diseases; to promise radical cures; to publish cases or operations in the daily prints, or to suffer such publications to be made; to invite laymen (other than relatives who may desire to be at hand) to be present at operations; to boast of cures and remedies; to adduce certificates of skill and success, or to employ any of the other methods of charlatans.

Sec. 8. It is equally derogatory to professional character for physicians to hold patents for any surgical instruments or medicines; to accept rebates on prescriptions or surgical appliances; to assist unqualified persons to evade the legal restrictions governing the practice of medicine; or to dispense, or promote the use of, secret medicines, for if such nostrums are of real efficacy, any concealment regarding them is inconsistent with beneficence and professional liberality, and if mystery alone give them public notoriety, such craft implies either disgraceful ignorance or fraudulent avarice. It is highly reprehensible for physicians to give certificates attesting the efficacy of secret medicines, or other substances used therapeutically.

ARTICLE II.—PROFESSIONAL SERVICES OF PHYSICIANS TO EACH OTHER.

Section 1. Physicians should not, as a general rule, undertake the treatment of themselves, nor of members of their family. In such circumstances they are peculiarly dependent on each other; therefore, kind offices and professional aid should always be cheerfully and gratuitously afforded. These visits ought not, however, to be obtrusively made, as they may give rise to embarrassment or interfere with that free choice on which such confidence depends.

Sec. 2. All practicing physicians and their immediate family dependants are entitled to the gratuitous services of any one or more of the physicians residing near them.

Sec. 3. When a physician is summoned from a distance to the bedside of a colleague in easy financial circumstances, a compensation, proportionate to traveling expenses and to the pecuniary loss entailed by absence from the accustomed field of professional labor, should be made by the patient or relatives.

Sec. 4. When more than one physician is attending another, one of the number should take charge of the case, otherwise the concert of thought and action so essential to wise treatment can not be assured.

Sec. 5. The affairs of life, the pursuit of health and the various accidents and contingencies to which a physician is peculiarly exposed sometimes require the temporary withdrawal of this physician from daily professional labor and the appointment of a colleague to act for a specified time. The colleague's compliance is an act of courtesy which should always be performed with the utmost consideration for the interest and character of the family physician.

ARTICLE III.—THE DUTIES OF PHYSICIANS IN REGARD TO CONSULTATIONS.

Section 1. The broadest dictates of humanity should be obeyed by physicians whenever and wherever their services are needed to meet the emergencies of disease or accident.

Sec. 2. Consultations should be promoted in difficult cases, as they contribute to confidence and more enlarged views of practice.

Sec. 3. The utmost punctuality should be observed in the visits of physicians when they are to hold consultations, and this is generally practicable, for society has been so considerate as to allow the plea for a professional engagement to take precedence over all others.

Sec. 4. As professional engagements may sometimes cause delay in attendance, the physician who first arrives should wait for a reasonable time, after which the consultation should be considered as postponed to a new appointment.

Sec. 5. In consultations no insincerity, rivalry or envy should be indulged; candor, probity and all due respect should be observed toward the physician in charge of the case.

Sec. 6. No statement or discussion of the case should take place before the patient or friends, except in the presence of all the physicians attending, or by their common consent; and no opinions or prognostications should be delivered which are not the result of previous deliberation and concurrence.

Sec. 7. No decision should restrain the attending physician from making such subsequent variations in the mode of treatment as any unexpected change in the character of the case may demand. But at the next consultation reasons for the variations should be stated. The same privilege, with its obligation, belongs to the consultant when sent for in an emergency during the absence of the family physician.

Sec. 8. The attending physician, at any time, may prescribe for the patient; not so the consultant, when alone, except in a case of emergency or when called from a considerable distance. In the first instance the consultant should do what is needed, and in the second should do no more than make an examination of the patient and leave a written opinion, under seal, to be delivered to the attending physician.

Sec. 9. All discussions in consultation should be held as confidential. Neither by words nor by manner should any of the participants in a consultation assert or intimate that any part of the treatment pursued did not receive his assent.

Sec. 10. It may happen that two physicians can not agree in their views of the nature of a case and of the treatment to be pursued. In the event of such disagreement a third physician should, if practicable, be called in. None but the rarest and most exceptional circumstances would justify the consultant in taking charge of the case. He should not do so merely on the solocitation of the patient or friends.

Sec. 11. A physician who is called in consultation should observe the most honorable and scrupulous regard for the character and standing of the attending physician, whose conduct of the case should be justified, as far as can be, consistently with a conscientious regard for truth, and no hint or insinuation should be thrown out which would impair the confidence reposed in the attending physician.

ARTICLE IV.—DUTIES OF PHYSICIANS IN CASES OF INTERFERENCE.

Section 1. Medicine being a liberal profession, those admitted to its ranks should found their expectations of practice especially on the character and the extent of their medical education.

Sec. 2. The physician, in his intercourse with a patient under the care of another physician, should observe the strictest caution and reserve; should give no disingenuous hints relative to the nature and treatment of the patient's disorder, nor should the course of conduct of the physician, directly or indirectly, tend to diminish the trust reposed in the attending physician.

Sec. 3. The same circumspection should be observed when, from motives of business or friendship, a physician is prompted to visit a person who is under the direction of another physician. Indeed, such visits should be avoided, except under peculiar circumstances; and when they are made, no inquiries should be instituted relative to the nature of the disease, or the remedies employed, but the topics of conversation should be as foreign to the case as circumstances will admit.

Sec. 4. A physician ought not to take charge of, or prescribe for, a patient who has recently been under the care of another physician, in the same illness, except in case of a sudden emergency, or in consultation with the physician previously in attendance, or when that physician has relinquished the case or has been dismissed in due form.

Sec. 5. The physician acting in conformity with the preceding section should not make damaging insinuations regarding the practice previously adopted, and, indeed, should justify it if consistent with truth and probity; for it often happens that patients become dissatisfied when they are not immediately relieved, and as many diseases are naturally protracted, the seeming want of success, in the first stage of the treatment, affords no evidence of a lack of professional knowledge or skill.

Sec. 6. When a physician is called to an urgent case, because the family attendant is not at hand, unless assistance in consultation is desired, the former should resign the care of the patient immediately on the arrival of the family physician.

Sec. 7. It often happens, in cases of sudden illness, and of accidents and injuries, owing to the alarm and anxiety of friends, that several physicians are simultaneously summoned. Under these circumstances, courtesy should assign the patient to the first who arrives, and who, if necessary, may invoke the aid of some of those present. In such case, however, the acting physician should request that the family physician be called, and should withdraw unless requested to continue in attendance.

Sec. 8. Whenever a physician is called to the patient of another physician during the enforced absence of that physician the case should be relinquished on the return of the latter.

Sec. 9. A physician, while visiting a sick person in the country, may be asked to see another physician's patient because of a sudden aggravation of the disease. On such an occasion the immediate needs of the patient should be attended to and the case relinquished on the arrival of the attending physician.

Sec. 10. When a physician who has been engaged to attend an obstetric case is absent and another is sent for, delivery being accomplished during the vicarious attendance, the acting physician is entitled to the professional fee, but must resign the patient on the arrival of the physician first engaged.

ARTICLE V.—DIFFERENCES BETWEEN PHYSICIANS.

Section 1. Diversity of opinion and opposition of interest may, in the medical as in other professions, sometimes occasion controversy and even contention. Whenever such unfortunate cases occur and can not be immediately adjusted, they should be referred to the arbitration of a sufficient number of impartial physicians.

Sec. 2. A peculiar reserve must be maintained by physicians toward the public in regard to some professional questions, and as there exist many points in medical ethics and etiquette through which the feelings of physicians may be painfully assailed in their intercourse, and which can not be understood or appreciated by general society, neither the subject matter of their differences nor the adjudication of the arbitrators should be made public.

ARTICLE VI.—COMPENSATION.

Section 1. By the members of no profession are eleemosynary services more liberally dispensed than by the medical, but justice requires that some limits should be placed to their performance. Poverty, mutual professional obligations, and certain of the public duties named in Sections 1 and 2, of Chapter III, should always be recognized as presenting valid claims for gratuitous services; but neither institutions endowed by the public or by the rich, or by societies for mutual benefit, for life insurance, or for analogous purposes, nor any profession or occupation, can be admitted to possess such privilege.

Sec. 2. It can not be justly expected of physicians to furnish certificates of inability to serve on juries, or to perform militia duty; to testify to the state of health of persons wishing to insure their lives, obtain pensions, or the like, without due compensation. But to persons in indigent circumstances such services should always be cheerfully and freely accorded.

Sec. 3. Some general rules should be adopted by the physicians in every town or district relative to the minimum pecuniary acknowledgment from their patients; and it should be deemed a point of honor to adhere to these rules with as much uniformity as varying circumstances will admit.

Sec. 4. It is derogatory to professional character for physicians to pay or offer to pay commissions to any person whatsoever who may recommend to them patients requiring general or special treatment or surgical operations. It is equally derogatory to professional character for physicians to solicit or to receive such commissions.

CHAPTER III.—THE DUTIES OF THE PROFESSION TO THE PUBLIC.

Section 1. As good citizens it is the duty of physicians to be very vigilant for the welfare of the community, and to bear their part in sustaining its laws, institutions and burdens; especially should they be ready to co-operate with the proper authorities in the administration and the observance of sanitary laws and regulations, and they should also be ever ready to give counsel to the public in relation to subjects especially appertaining to their profession, as on questions of sanitary police, public hygiene and legal medicine.

Sec. 2. It is the province of physicians to enlighten the public in regard to quarantine regulations; to the location, arrangement and dietaries of hospitals, asylums, schools, prisons and similar institutions; in regard to measures for the prevention of epidemic and contagious diseases; and when pestilence prevails, it is their duty to face the danger, and to continue their labors for the alleviation of the suffering people, even at the risk of their own lives.

Sec. 3. Physicians, when called on by legally constituted authorities, should always be ready to enlighten inquests and courts of justice on subjects strictly medical, such as involve questions relating to sanity, legitimacy, murder by poison or other violent means, and various other subjects embraced in the science of medical jurisprudence. It is but just, however, for them to expect due compensation for their services.

Sec. 4. It is the duty of physicians, who are frequent witnesses of the great wrongs committed by charlatans, and of the injury to health and even destruction of life caused by the use of their treatment, to enlighten the public on these subjects, and to make known the injuries sustained by the unwary from the devices and pretensions of artful impostors.

Sec. 5. It is the duty of physicians to recognize and by legitimate patronage to promote the profession of pharmacy, on the skill and proficiency of which depends the reliability of remedies, but any pharmacist who, although educated in his own profession, is not a qualified physician, and who assumes to prescribe for the sick, ought not to receive such countenance and support. Any druggist or pharmacist who dispenses deteriorated or sophisticated drugs or who substitutes one remedy for another designated in a prescription ought thereby to forfeit the recognition and influence of physicians.

MEDICAL PRACTICE ACT.

AN ACT

To prescribe the branches of Medical Learning upon which applicants for the privilege of treating diseases of human beings in this state must be examined, and to provide for the issuance of Certificates of Qualification therefor.

Section 1. Be it enacted by the Legislature of Alabama, That any applicant for a certificate of qualification to treat diseases of human beings by any system of treatment whatsoever shall, according to rules prescribed and standards established by the Medical Association of the State of Alabama, be examined by one of the authorized boards of medical examiners of this state in the following branches of medical learning, to-wit: Chemistry; anatomy; physiology; the etiology, pathology, symptomatology, and diagnosis of diseases; obstetrics and obstetrical operations; gynecology; minor and major surgery; physical diagnosis; hygiene; and medical jurisprudence; and should said applicant be found proficient in said branches of medical learning a certificate of qualification in such form as shall be prescribed by said Medical Association of the State of Alabama shall be issued to him, which shall entitle him to treat any and all diseases of human beings in this state in any manner that he may deem best.

Sec. 2. Be it further enacted, That when an applicant states in writing that he has neither studied nor proposes to practice major surgery, said applicant shall be exempt from examination in said branch of major surgery, and should he be found proficient in the other branches of medical learning named in section 1 of this act, a certificate of qualification in form to be likewise prescribed by the Medical Association of the State of Alabama shall be issued to him, which shall entitle him to treat any and all diseases of human beings in this state in such manner as he may deem best, except by the practice of major surgery.

Sec. 3. Be it further enacted, That all laws and parts of laws, in so far as they conflict with the provisions of this Act be and the same are hereby repealed.

Approved Feb. 26, 1903.

FROM THE CRIMINAL CODE.

Practicing Medicine or Surgery without a Certificate of Qualification.

Section 5333. Any person who practices medicine or surgery without first having obtained a certificate of qualification from one of the authorized boards of medical examiners of this state must, on conviction, be fined not less than $25, nor more than $100.

5337. Failure of head of family to report pestilential or infectious disease. Any head of a family or any other person upon whose premises a case of pestilential or infectious disease occurs, which is not under the charge of a physician, who refuses or wilfully fails to report the same to the county health officer, must on conviction, be fined not less than $5 nor more than $25.

5338. Failure of midwife to report birth. Any midwife attending a child-birth, who refuses or wilfully fails to make to the county health officer, within the time prescribed by the county board of health, a full report, specifying the name of the parents, if known, the date of the birth and the sex and color of the child, with such other details as are required by the board of health, must on conviction, be fined not less than $5 nor more than $25.

5340. Failure of physician to report pestilential or infectious diseases. Any physician, or person practicing medicine, being called upon to treat a case of pestilential or infectious disease in the limits of the county, who refuses or wilfully fails to make to the county health officer within such time as may be prescribed by the county board of health, a full report of the same, specifying the character of the disease, the name and locality of the patient, together with such other details as may be required by the county board of health, must, on conviction, be fined not less than $10, nor more than $50.

5341. Failure of physician to report birth. Any physician, or person practicing medicine or surgery, attending a child-birth, who refuses or wilfully fails to make to the county health officer, within the time prescribed by the county board of health, a full report, specifying the name of the parents, if known, the date of birth, and the sex and color of the child, with such other details as are required by the board of health, must, on conviction, be fined not less than $10, nor more than $50.

5342. Failure of physician to report death. Any physician, or person practicing medicine or surgery, having charge of a patient at the time of death, who refuses or wilfully fails to make to the county health officer, within such time as may be prescribed by the county board of health, a full report of the name, age, sex, color, date, place, and cause of the death of such patient, so far as is known, together with such other details as may be required by the county board of health, must, on conviction, be fined not less than $10, nor more than $50.

AN ACT

To amend Section 5339 of the Code.

Be it enacted by the General Assembly of Alabama, That section 5339 of the Code be and the same is hereby so amended as to read as follows: 5339. Any mid-wife having charge of a patient at the time of death, who refuses or wilfully fails to make to the county health officer within five days after the expiration of each calendar month, a full report of the name, age, sex, color, place, and cause of death of such patient, so far as known, together with such other details as may be prescribed by the county board of health, must, on conviction, be fined not less than $5 nor more than $25.

Approved March 4, 1901.

No. 489.] AN ACT [H. 824.

To provide for the punishment of violations of the health and quarantine laws not otherwise provided for.

Be it enacted by the Legislature of Alabama, That any violation of the health or quarantine laws except of those for which a special penalty is prescribed, shall be deemed a misdemeanor, and shall be punished as provided for in section 5414 of the Criminal Code.

Approved Oct. 9, 1903.

MEDICAL PRACTICE ACT.

AN ACT

To Regulate the Practice of Medicine.

Be it enacted by the Legislative Assembly of the Territory of Arizona:

Section 1. That it shall be unlawful for any person to practice medicine within the Territory of Arizona until he or she shall have obtained a license therefor as hereinafter in this act prescribed.

Sec. 2. No person shall receive a license to practice medicine within the Territory unless he or she shall have, first, obtained a diploma to practice medicine, or some department thereof, regularly issued by a medical college lawfully organized under the laws of the State or Territory wherein such college shall have been located at the time of the issuance of such diploma; and, second, obtained a certificate entitling him or her to practice medicine, as prescribed in section 4, chapter 1, of title 53, being paragraph 3529 of the Revised Statutes of Arizona, 1901, or shall have passed a satisfactory examination prescribed by the provisions of an act of the Legislative Assembly of Arizona, entitled "An Act to Amend an Act to Regulate the Practice of Medicine in the Territory of Arizona," approved March 18, 1897; or, third, practiced medicine within the Territory of Arizona continuously for five successive years preceding the date fixed for the taking effect of this act; or, fourth, upon examination by the Board of Medical Examiners of Arizona, shown to the satisfaction of the board that he or she possesses sufficient knowledge and skill to properly practice medicine; and, fifth, becomes a bona fide resident of Arizona, and shall have passed the age of 21 years and shall have a good moral character.

Sec. 3. There shall be and there is hereby established in Arizona a board to be known as the Board of Medical Examiners of Arizona. Said board shall consist of five members, who shall be nominated and, by and with the consent of the legislative council, appointed by the governor. Such members shall, at the time of their appointment, be each a bona fide citizen of the United States and have been a resident of the Territory of Arizona for at least three consecutive years continuously next preceding the time of his appointment, and at the time of his appointment shall be and shall have been for at least three consecutive years theretofore actually engaged in the practice of medicine in the Territory of Arizona. The term of office of said members of said board shall be for five years, except that of the members first appointed under the provisions of this act, one of whom shall be appointed for one year, one for two years, one for three years, one for four years and one for five years. Three of the members of said board shall be physicians of the regular school of medicine, one of the homeopathic school of medicine and one of the eclectic school of medicine. The board shall, on its organization and thereafter once in each year, elect one of its members as president and one of its members as secretary thereof, whose respective terms of office as president and secretary shall be one year. The president shall preside at the meetings of the board and shall by his signature authenticate all licenses issued under the provisions of this act. The secretary shall keep the records of the board, have the custody of its books, papers and seal, shall countersign all licenses issued under the provisions of this act and shall act as treasurer of the board. Said board shall make reasonable rules and regulations for the transaction of its business not inconsistent with law or the purposes and intent of this act. The board shall meet in regular session quarter-yearly at a regularly designated place of meeting at Phoenix, Ariz., and at such other times as it may from time to time appoint.

Sec. 4. Any person desiring to obtain a license to practice medicine within this Territory shall make application therefor to the Board of Medical Examiners of Arizona. The application shall be in writing and state the name of the applicant, his age, his residence, the name and location of the college whence his diploma issued, the length of time, if at all, he has practiced medicine, and where, giving specifically the places where he has practiced medicine, and dates between which he practiced at each place, and the particular school and department of medicine he practiced, and contain such other information as may be prescribed by the rules and regulations of the board. Each application for license shall be verified by the oath of the applicant, taken before some officer authorized by the laws of Arizona to administer oaths. The application shall be accompanied by the diploma of the applicant or by a copy thereof, authenticated to the satisfaction of the board. The applicant shall also present with his or her application the affidavits of at least three or more residents of the county and State wherein the applicant formerly resided and practiced medicine, stating, within their own knowledge, the name of the applicant, the length of time they have known him or her, his or her residence, the length of time he or she has resided there, and, if applicant shall have practiced medicine in Arizona, the length of time and place or places where he or she has so practiced, and that the applicant is a person of good moral character. If the applicant shall have received a certificate under the provisions of paragraph 3529, Revised Statutes of Arizona, 1901, or shall have passed a satisfactory examination prescribed by an act of the Legislative Assembly of the Territory of Arizona, entitled "An act to Amend an Act to Regulate the Practice of Medicine in Arizona," approved March 18, 1897, or if the applicant shall have practiced medicine within the Territory of Arizona continuously for five successive years next preceding the date fixed for the taking effect of this act, he or she shall present with his or her application proper and satisfactory evidence thereof; the applicant shall, at the time of the presentation of his or her application for a license to practice medicine, pay to the secretary of the Board of Medical Examiners the sum of $2. If it shall appear that the applicant has not obtained the certificate mentioned in paragraph 3529, Revised Statutes of Arizona, 1901, or passed the satisfactory examination prescribed by the provisions of an act of the Legislative Assembly of Arizona, entitled "An Act to Amend an Act to Regulate the Practice of Medicine in Arizona," approved March 18, 1897, and shall not have practiced medicine within this Territory continuously for five years next preceding the date fixed for the taking effect of this act, then no license shall issue to him or her until he or she shall have, on examination by the board, shown to the satisfaction of the board that the applicant possesses sufficient knowledge and skill to properly practice medicine.

Sec. 5. The examination provided for in the preceding section shall be made by said board as soon after the application shall have been presented, as it may be conveniently done, and after notice to the applicant of the time and place thereof. The examination shall be conducted under such reasonable rules and regulations as the board may prescribe therefor, and with the design and purpose of ascertaining the fitness of the applicant for the practice of medicine in this Territory.

If the applicant requests it, he or she shall have the privilege of being examined in the branches of the science and the practice of medicine other than physiology, anatomy, pathology, chemistry, practice, surgery, obstetrics and gynecology by the member or members of the board, if there be any, of the particular school of medicine specified in his or her diploma, and if the examination in such other branches be satisfactory to the members or member conducting said examination, it shall be approved by the board and to the extent thereof be deemed to be to the board's satisfaction. Before any examination the applicant shall pay to the secretary of the board, in addition to the fee hereinbefore required, the further fee of $10.

Sec. 6. When it shall be made to appear to the satisfaction of the board that the applicant possesses the qualifications in this act prescribed to fit him or her to practice medicine in this Territory, and that he or she has complied with the provisions of this act, a license shall thereupon issue to the applicant. The license shall be signed by the president and countersigned by the secretary of the board and have impressed on it the seal adopted by the board. It shall recite that the person therein named has complied with the provisions of this act and that he or she is entitled to practice medicine in the Territory of Arizona and shall be in such form as the board may adopt.

Sec. 7. On proper proof to the Board of Medical Examiners of Arizona that the holder of any license issued under the provisions of this act has been guilty, since the issuance thereof, of any grossly immoral or unprofessional conduct, or of any other conduct rendering him or her unfit to practice medicine in this Territory, or has been convicted of any felony, said board shall, after due notice to such holder and full opportunity to him or her to defend against or refute such charges, revoke and cancel such license, and it shall thereafter be unlawful for such person to practice medicine in this Territory until he or she shall again be licensed thereto under the provisions of this act.

Sec. 8. The members of the board of Medical Examiners of Arizona shall receive for their compensation and reimbursement of all expense incurred by the board or its members in the discharge of the duties imposed by this act, the fees paid by the applicants for license and examinations, the same to be apportioned and applied by the board.

Sec. 9. The secretary of the board shall keep a register of those to whom license to practice shall be issued under the provisions of this act. Such record shall be kept in a substantially-bound book, in which shall be entered in alphabetical order the names of licensees, their place of business, the date of issuance of license and such other memoranda as the board may direct. The secretary shall also keep a proper and accurate account of all moneys received and disbursed by him. He shall also properly indorse, file and safely keep all applications for license and accompanying papers, and papers used in the examination of applicants for license, and turn over all said books and papers to his successor in office.

Sec. 10. Any person shall be regarded as practicing medicine within the meaning of that act who shall, within the Territory (a) by advertisement or any notice, sign or other indication, or by any statement, printed, written or oral, in public or in private, made, done or procured by himself or herself, or any other at his or her request, for him or her, claim, announce, make known or pretend his or her ability or willingness to diagnosticate or prognosticate any human disease, ills, deformities, defects, wounds or injuries; (b) or who shall so advertise or make known or claim his or her ability and willingness to prescribe or administer any drug, medicine, treatment, method or practice, or to perform any operation, manipulation, or apply any apparatus or appliance for cure, amelioration, correction, reduction or modification of any human disease, ill, deformity, defect, wound or injury, for hire, fee, compensation or reward, promised, offered, expected, received or accepted, directly or indirectly; (c) or who shall within this Territory diagnosticate or prognosticate any human diseases, ills, deformities, defects, wounds or injuries, for hire, fee, reward or compensation, promised, offered, expected, received or accepted, directly or indirectly; (d) or who shall within this Territory prescribe or administer any drug, medicine, treatment, method or practice, or perform any operation or manipulation, or apply any apparatus or appliance for the cure, alleviation, amelioration, correction, reduction or modification of any human disease, ill, deformity, defect, wound or injury, for hire, fee, compensa-

tion or reward, promised, offered, expected, received or accepted, directly or indirectly; (e) or who shall act as the agent of any person, firm or corporation in the practice of medicine as hereinbefore set forth; (f) except it be in the advertisement or practice of dentistry, midwifery or pharmacy, or in the usual business of opticians or of vendors of dental or surgical instruments, apparatus and appliances.

Sec. 11. The provisions of this act shall not be construed to modify or in any wise to affect the provisions of the laws of this Territory relating to the practice of dentistry.

Sec. 12. Any person or persons violating any of the provisions of this act, on conviction thereof shall be fined in any sum not less than $100 nor more than $1,000, or by imprisonment in the county jail for a period of not less than three months nor more than one year, or both such fine and imprisonment, at the discretion of the courts.

Sec. 13. All laws in conflict or inconsistent with this act are hereby repealed.

Sec. 14. This act shall be in force and effect from the date of its approval by the governor; provided, however, that persons having already complied with previous laws regulating the practice of medicine in the Territory of Arizona shall have until the 1st day of June, 1903, within which to file their applications for license and procure same, and until such time no penalty shall be imposed on such lawful practitioners for a violation of the provisions of this act.

MEDICAL PRACTICE ACT APPROVED FEBRUARY 17, 1903.

AN ACT

To regulate the practice of Medicine and Surgery, and providing for the appointment of three Boards of State Medical Examiners, and defining their duties.

Be it enacted by the General Assembly of the State of Arkansas:

Section 1. That the medical examiners herein provided for shall consist of three Boards: One of physicians and surgeons, recommended by "The Homeopathic Medical Society of Arkansas;" one of physicians and surgeons, recommended by "The Arkansas State Eclectic Medical Society," and one of physicians and surgeons, recommended by "The Arkansas Medical Society."

There shall be seven (7) members of each Board, appointed so as to have one member from each Congressional District upon each Board. The appointment shall be made by the Governor from a list of names presented by the respective medical societies.

Sec. 2. That the members first appointed on the Boards shall be divided into two (2) classes, the first class to consist of four (4) members appointed for two (2) years, the second class of three (3) members shall be appointed for four (4) years, and thereafter all appointments shall be for four (4) years.

Vacancies in the said Boards shall be filled as they occur by appointments from lists furnished as provided. No member shall be appointed for more than two terms in succession; and no member, or professor, or teacher in a medical college or school or university, having a medical department, shall be appointed upon the Board.

Sec. 3. Within thirty days after their appointments the respective Boards shall meet and organize by electing a President, Secretary and Treasurer of their respective Boards.

The Treasurer of each of the said Boards shall give bond in such amount as may be designated by the Board, conditioned for the faithful disbursement of all moneys coming into his hands as such Treasurer.

Each of the said Boards shall have a common seal. The President and Secretary shall have power to administer oaths for the purposes of this act. The members of the Boards shall, before entering upon the discharge of their duties, take the oath prescribed by the Constitution of this State for State officers.

Sec. 4. The said Board shall hold four regular stated meetings per year, to-wit: The second Tuesdays in January, April, July and October, at such places as a majority may agree upon, consulting the convenience of the Boards and applicants for examination and certificates.

Special meetings may be held upon the call of the President whenever it is deemed necessary or expedient. Said Boards shall keep a record of their proceedings, together with a correct list of all applicants for license to practice medicine in any of its branches, with name, sex, color, age, nativity; time spent in the study of medicine, and, if possessing a diploma, the name and locality of the institution granting same, stating the system of medicine followed by each.

This record shall also state whether the applicant was rejected or licensed; said record shall be prima facie evidence of all matters required to be kept therein, and a certificate issued under the seal of said Board, and signed by the President and Secretary thereof, and shall be prima facie evidence in any of the courts of this State of any matter appearing upon said records.

Sec. 5. The Boards shall be styled and known as the "Homeopathic State Medical Board," the "Eclectic State Medical Board," and the "State Medical Board of the Arkansas Medical Society."

The "Homeopathic State Medical Board" shall examine all applicants who propose to practice the homeopathic system of medicine; the "Eclectic State Medical Board" shall examine all applicants who propose to practice the eclectic system of medicine, and the "Board of Arkansas Medical Society" shall examine all other applicants.

The Boards shall act separately and independently of each other, and wherever this act refers to and defines the duties of the Board, it shall be construed as referring to their acting separately, as well as independently of each other.

Sec. 6. Each person now practicing medicine in this State shall, within ninety days after the passage of this act, prepare a written statement, giving his name, post-office address and county; when and where he received authority to practice medicine in this State; where his diploma or certificate is on record; and, if a diploma, from what school or medical college issued; such statement shall be sworn to before some officer authorized to administer oaths, and shall be forwarded to the Secretary of the Board representing his school of medicine.

If it shall appear from such statement that such person was regularly authorized to practice medicine under the then existing laws, the said Board shall register the name of such person in their list of accredited physicians, and issue to such person a certificate that his name has been placed upon such list. If it shall appear from the statement that such person has not been legally authorized to practice medicine, or that his diploma is not from a reputable medical school or college, or, if from any other source of information, it shall appear that the statement is false, the Board shall refuse to issue to such a person a certificate, and shall notify such person in writing of their refusal and the reason therefor. If such person shall show to the satisfaction of the Board of affidavits or otherwise that he has complied with the laws of this State regulating the practice of medicine, they shall in that event issue to him a certificate. Upon the failure of such person to make the proof required by this section, he shall, before continuing in the practice, make application and stand examination required by the following provisions of this act.

Sec. 7. Any person who shall wilfully and knowingly make any false statement to the Board concerning his authority to practice medicine shall be deemed guilty of perjury and punished, as now provided by law for those found guilty of perjury, and may be indicted and tried for such offense, either in the county where the affidavit to such statement was made, or where such person resides.

Sec. 8. Every person residing in this State, or coming into it, of the age of twenty-one years, who has not heretofore been licensed to practice medicine under the existing laws, making application to register under the provisions of this act for the purpose of practicing medicine and surgery in this State, shall first make application to the Secretary of the Board, and his application shall be accompanied by a fee of Ten ($10) Dollars, this fee being for examination and registration before the Board. Such examination may be written or oral at the discretion of the Board, and shall be elementary and of a practical character, including anatomy, physiology, chemistry, materia medica, theory and practice of medicine, surgery and obstetrics.

If, in the opinion of the Board, the applicant possesses the necessary qualifications, the Board shall issue to him a certificate.

Sec. 9. Every person receiving a certificate from the Board, whether practicing now or hereafter licensed to practice, shall have such certificate recorded in the office of the County Clerk where he is practicing or proposes to practice; and, when such person moves to another county for the purpose of continuing the practice of medicine, he shall file for record with the County Clerk of the County to which he moves, a certified copy of his certificate.

Sec. 10. That to prevent delay and inconvenience any member of the Board applied to may grant an applicant a temporary permit to practice, upon the payment of the fee required of applicants, and after a satisfactory examination, such permit shall not continue in force longer than until the next regular meeting of the Board, and shall in no case be granted within six months after the applicant has been refused a certificate by the Board.

No aditional fee shall be charged the applicant by the Board who has previously paid the amount for a temporary permit. All amounts paid to members of the Boards for temporary permits shall be by such members paid to their respective Treasurers.

Sec. 11. Every person who shall practice, or shall attempt to practice medicine in any of its branches, or who shall perform or attempt to perform any surgical operation for any person, or upon any person within this State without first having complied with the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than Twenty-five ($25) Dollars nor more than Five Hundred ($500) Dollars, or by imprisonment in the county jail for a period of not less than ten days nor more than ninety days, or by both fine and imprisonment, and each day of such practice shall constitute a separate offense.

Provided, however, That this shall not apply to persons now engaged in the practice of medicine until ninety days after the passage of this act, the time allowed them for procuring their certificate.

Sec. 12. Any itinerant vendor of any drug, nostrum, ointment or application of any kind, intended for the treatment of disease or injury, or who may, by writing, print or other methods, profess to cure or treat diseases or deformity by any drug, nostrum, manipulation or other expedient, in this State, shall be deemed to be in violation of this law and punished as provided. This does not apply to persons who obtain certificates as herein provided.

Sec. 13. Any person shall be regarded as practicing medicine, in any of its departments, within the meaning of this act, who shall append M. D. or M. B. to his name, or, repeatedly prescribe or direct for the use of any person or persons any drug or medicine or other agency for the treatment, cure, relief of any bodily injury, deformity or disease.

Provided, That nothing in this act shall be construed as to prevent any person from administering domestic remedies without receiving any compensation therefor, and nothing herein shall apply to the so-called midwives.

Sec. 14. The Secretary of the Board shall provide the Board with blank books, certificates and such stationery as is necessary for the transaction of the business pertaining to their duties. All money received by the Board shall be disbursed by the Treasurer upon the warrant of the Secretary countersigned by the President of the Board.

The members of the Board shall receive as a compensation for their services the sum of Ten ($10) Dollars per day for every day actually engaged in the discharge of their duties under this act, and the Secretaries shall receive such additional salary as may be fixed and agreed upon by the Boards.

The members of the Boards shall pay their own traveling expenses and hotel bills. The members of the Boards shall look to and be dependent entirely upon the fees provided herein for their compensation, and all other expenses in connection with their duties.

It shall not be lawful for said Boards, or any members thereof, in any manner whatever, or for any purpose, to charge or obligate the State for the payment of any money whatever. If, after paying all legitimate obligations of the Board for stamps, printing, salary of Secretary, etc., there should not be sufficient sums on hand to pay each member his per diem in full, the amount

shall be prorated; but if at the end of the year there should be a greater revenue than sufficient to meet all obligations, such surplus shall remain in the Treasury to be used in expenditures of the Boards during the succeeding year.

Sec. 15. The Boards shall annually file with the Governor a report of their transactions during the year, giving the names of all to whom they have granted certificates during the year, naming the system of medicine practiced by each, and shall in such report show the amount of money received and from what source, the amount expended and for what purpose, and shall embody in their report any other matters or facts deemed expedient, and make such recommendations for the improvement of the practice of medicine in this State as may be deemed advisable.

If the Boards shall have sufficient funds on hand to pay for same, they shall have said reports printed in pamphlet form and furnish each physician in this State with a copy thereof.

Sec. 16. All laws or parts of laws in conflict with this act are hereby repealed, and this act shall take effect and be in force 90 days after its passage.

Approved, February 17, 1903.

LAWS REGULATING THE PRACTICE OF MEDICINE IN THE STATE OF CALIFORNIA.

In Force Aug. 1, 1901.

An Act for the Regulation of the Practice of Medicine and Surgery in the State of California and for the appointment of a Board of Medical Examiners in the matter of said regulation.

The people of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. Appointment of Board—Quorum. There shall be a board, consisting of nine members, which shall be known as the Board of Medical Examiners of the State of California. The members of said board shall be elected as follows: Five members thereof shall be elected by the Medical Society of the State of California, two members thereof by the California State Homeopathic Medical Society and two members thereof by the Eclectic Medical Society of the State of California. Said members shall be elected annually by said societies, respectively, according to such rules as each society may adopt for the election of members to be elected by it, and the members so elected shall serve for one year and until their successors shall have been elected and qualified. Each of said societies respectively may also elect alternates who shall fill such vacancies as may occur in its representation on the board. It shall require the affirmative vote of six members of said board to carry any motion or resolution, to adopt any rule, to pass any measure or to authorize the issuance of any certificate to practice medicine and surgery as in this act provided.

Sec. 2. Oath. Each member of said board shall, before entering on the duties of his office, take the constitutional oath of office and shall in addition make oath that he is a graduate in medicine and a legally qualified practitioner of medicine in this state.

Sec. 3. Organization—Meetings. Said board shall organize by electing from its number a president, vice-president, secretary and treasurer, who shall hold their respective positions during the pleasure of the board. Said board shall hold its regular meetings in the city of San Francisco on the first Tuesdays of April, August and December of each year, for the consideration of applications for certificates and for the transaction of such other business as may properly come before it, with power of adjournment from time to time until its business is concluded; provided, however, that examinations of applicants for certificates may, in the discretion of the board, be conducted in any part of the state designated by said board of examiners, under the supervision of any one member of said board, on written questions previously prepared by said board; and when the examination is concluded, the questions submitted, together with the answers and any other evidence or affidavits used or produced at said examination, shall be signed by said examiner and immediately returned to the Board of Examiners, who shall act upon said application for a certificate in the same manner as if the person had appeared personally before said board. Notice of each regular meeting of the board shall be given by publication twice a week for each of the two weeks next preceding each meeting, in two daily papers published in the city of San Francisco, in one daily paper published in the city of Sacramento and in one daily paper published in the city of Los Angeles. Special meetings of the board may be held at the call of the president at such time and place as he shall direct, and the same notice thereof shall be given as in the case of regular meetings. Said board shall procure a seal and shall receive, through its secretary, applications for the certificates provided to be issued under this act.

Sec. 4. Rules. Said board may from time to time adopt such rules as may be necessary to enable it to carry into effect the provisions of this act. Any member of said board may administer oaths in all matters pertaining to the duties of said board and the board shall have the authority to take evidence as to any matter cognizable by it.

Sec. 5. Requirements—Examination—Fee. Every person, before practicing medicine or surgery, or any of the departments of medicine or surgery in this state, must have the certificate herein provided for. In order to procure such certificate he must produce satisfactory testimonials of good moral character and a diploma issued by some legally chartered medical school, the requirements of which medical school shall have been, at the time of granting such diploma, in no particular less than those prescribed by the Association of American Medical Colleges for that year; or he must produce satisfactory evidence of having possessed such diploma or a license from some legally constituted institution which grants medical and surgical licenses only on actual examination, or satisfactory evidence of having possessed such license; and he must accompany said diploma or license with an affidavit stating that he is the lawful possessor of the same, that he is the person therein (named), and that the diploma or license was procured in the regular course, either of instruction or examination, without fraud or misrepresentation of any kind. Such affidavit may be taken before any person authorized to administer oaths, and the same shall be attested under the hand and official seal of such officer if he has a seal. In addition to such affidavit said board may hear such further evidence as, in its discretion, it may deem proper as to any of the matters embraced in said amdavit. If it should appear from such evidence that said affidavit is untrue in any particular, or if it should appear that the applicant is not of good moral character, the application must be rejected.

In addition to the requirements above set forth, each applicant for a certificate must be personally examined by said board as to his qualifications to practice medicine and surgery. The examination shall be conducted in the English language and shall be, in whole or in part, in writing, and shall be on the following subjects, to-wit: Anatomy, physiology, bacteriology, pathology, chemistry and toxicology, surgery, obstetrics, materia medica and therapeutics and theory and practice of medicine. When the applicant applies for examination in materia medica and therapeutics and theory and practice of medicine he shall designate in what school of medicine he desires to practice, and only the member or members of the board who belong to the school so designated shall participate in this part of the examination. Examinations shall be practical in character and designed to discover the applicant's fitness to practice medicine and surgery.

Examinations in each subject shall consist of not less than ten questions, answers to which shall be marked on a scale of one to ten. If an applicant fails in his first examination he may, after not less than six months, be re-examined. If he fails in a second examination he shall not thereafter be entitled to another examination in less than one year after date of second examination, and shall be required to pay for such examinations the full fee. The examination papers shall form a part of the records of said board and shall be kept on file by the secretary. In said examination the applicant shall be known and designated by number only, and the name attached to the number shall be kept secret by the secretary until after the board has finally voted on the application. The secretary of the Board of Medical Examiners shall in no instance participate as an examiner in any examinations held by the board, nor shall he be entitled to vote on the question of granting any certificate to practice medicine and surgery.

Said board may, in its discretion, accept and register, upon payment of the registration fee and without examination of the applicant, any certificate which shall have been issued to him by the Medical Examining Board of the District of Columbia or of any state or territory of the United States; provided, however, that the legal requirements of such Medical Examining Board shall have been, at the time of issuing such certificate, in no degree or particular less than those of California at the time when such certificate shall be presented for registration to the board created by this act; and provided, further, that the provisions in this paragraph contained shall be held to apply only to such of said medical examining boards as accept and register the certificates granted by this board without examination by them of the ones holding such certificates. Each applicant, on making application, shall pay to the secretary of the board a fee of twenty dollars ($20), which shall be paid to the treasurer of said board by said secretary.

Sec. 6. Certificate. When any applicant has shown himself to be possessed of the qualifications herein required and has successfully passed the said examination, a certificate must be issued to him by said board, authorizing him to practice medicine and surgery in this state. Said certificate shall be signed by the president and secretary of said board and sealed with the seal of the board.

Sec. 7. Record of Proceedings. Said board shall keep an official record of all its proceedings, a part of which record shall consist of a register of all applicants for certificates under this act, with the result of each application. Said record shall be evidence of all the proceedings of said board which are set out herein.

Sec. 8. Registration. Every person holding a certificate authorizing him to practice medicine or surgery, or both, in this state must have it recorded in the office of the county clerk of the county in which the holder of said certificate is practicing his profession, and the fact of such recording shall be indorsed on the certificate by the county clerk recording the same. Every such person, on each change of residence, must have his certificate recorded in the county to which he shall have changed his residence. The absence of such record shall be prima facie evidence of the want of possession of such certificate. And any person holding a certificate who shall practice medicine or surgery, ot attempt to practice medicine or surgery, without first having filed his certificate with the county clerk, as herein provided, shall be deemed guilty of a misdemeanor and shall be punished by a fine of not less than $25 nor more than $100, or by imprisonment in the county jail for a period of not less than thirty days nor more than sixty days, or by both such fine and imprisonment.

Sec. 9. The county clerk shall keep in a book provided for the purpose a complete list of the certificates recorded by him, with the date of the record, and said book shall be open to public inspection during his office hours.

Sec. 10. Refusal to Grant Certificate—Revocation of Certificate—Unprofessional Conduct. Said board must refuse a certificate to any applicant guilty of unprofessional conduct, but before such refusal the applicant must be cited by citation, signed by the secretary of the board and sealed with its seal. No such citation shall be issued except on a sworn complaint filed with the secretary of the board, charging the applicant with having been guilty of unprofessional conduct and setting forth the particular acts constituting such unprofessional conduct. On the filing of such complaint the secretary must forthwith issue a citation and make the same returnable at the next regular session of said board occurring at least thirty days next after filing the complaint. Such citation shall notify the applicant of the time and place, when and where the matter of said unprofessional conduct shall be heard, the particular unprofessional conduct with which the applicant is charged, and that the applicant shall file written answer, under oath, within twenty

days next after the service on him of said citation, or default will be taken against him and his application for a certificate refused. The attendance of witnesses at such hearing shall be compelled by subpoenas issued by the secretary of the board under its seal, and said secretary shall in no case refuse to issue any such subpoena upon a fee of 20 cents being paid to him for each subpoena. Said citation and said subpoenas shall be served in accordance with the statutes of this state then in force as to the service of citations and subpoenas generally, and all the provisions of the statutes of this state then in force relating to subpoenas are hereby made applicable to the subpoenas provided for herein. If any person refuses to obey a subpoena served on him in accordance with the statutes of this state then in force providing for the manner of serving subpoenas, the fact of such refusal shall be certified by the secretary of said board, under the seal thereof, to the superior court of the county in which the service was had, and said court shall thereon proceed to hear said matter, in accordance with the statutes of this state then in force as to contempts for disobedience of process of the court; and should said court find that the subpoena has been legally served, and that the party so served has wilfully disobeyed the same, it shall proceed to impose such penalty as provided in cases of contempt of court. In all cases of alleged unprofessional conduct arising under this act, and all the provisions of the statutes of this state then in force as to the taking of depositions, are hereby made applicable to the taking of depositions under this act. If the applicant shall fail to file with the secretary of said board his answer, under oath, to the charge made against him, within twenty days after service on him of said citation, or within such further time as the board may give him, and the charges on their face be deemed sufficient by the board, default shall be entered against him and his application refused. If the charges on their face be deemed sufficient by the board, and issue be joined thereon by answer, the board shall proceed to determine the matter and to that end shall hear evidence as may be adduced before it; and if it appear to the satisfaction of the board that the applicant is guilty as charged, no certificate shall be issued to him. No certificate shall be refused on the ground of unprofessional conduct unless the applicant has been guilty of such conduct subsequently to the passage of this act, and unless he has been guilty of such conduct within two years next preceding his application. Whenever any holder of the certificate herein provided for is guilty of unprofessional conduct, as the same is defined in this act, and the said unprofessional conduct has been brought to the attention of the board granting said certificate, in the manner hereinafter pointed out, it shall be their duty to, and they must, revoke the same at once, and the holder of said certificate shall not thereafter be permitted to practice medicine or surgery, or any of the departments of medicine or surgery, in this state. But no such revocation shall be made unless said holder is cited to appear, and the same proceedings are had as is hereinbefore provided in this section in case of refusal to issue certificates. The accused party, at the time he presents his answer for filing, shall deposit with the secretary his certificate, and unless he does so the secretary must not file his answer and default shall be thereon entered against him and his certificate revoked if the charges on their face be deemed sufficient by the board. When the certificate is revoked, the secretary of the board, if said certificate has been deposited with him, shall write across the face thereof, in red ink, the fact of such revocation, and shall file said certificate, so revoked, among the archives of his office, and shall also certify the fact of such revocation, under the seal of the board, to the county clerk of the counties in which the certificate of the person whose certificate has been revoked is recorded; and said clerk must thereon write on the margin or across the face of his register of the certificate of such person the following: "This certificate was revoked on the —— day of ——," giving the day, month and year of such revocation, in accordance with said certification to him by said secretary. The record of such revocation so made by said county clerk shall be prima facie evidence of the fact thereof and of the regularity of all the proceedings of said board in the matter of said revocation. If said board shall decide against revocation, the certificate shall be returned to the holder thereof. No certificate shall be revoked for unprofessional conduct unless the accused has been guilty thereof subsequently to the passage of this act, and unless he has been guilty thereof within two years next preceding the time of filing the complaint charging him with such unprofessional conduct. From the time of the revocation of a certificate the holder thereof shall be disqualified from practicing medicine or surgery in this state.

The words "unprofessional conduct" as used in this act are hereby declared to mean:

1. The procuring or aiding or abetting in procuring a criminal abortion.

2. The obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured.

3. The wilfully betraying a professional secret.

4. All advertising of medical business in which grossly improbable statements are made.

5. All advertising of any medicines, or of any means, whereby the monthly periods of women can be regulated or the menses re-established if suppressed.

6. Conviction of any offense involving moral turpitude.

7. Habitual intemperance.

Sec. 11. Expenditures of the Board. Said board shall have the power to employ legal counsel and clerical assistance and to fix the salaries of the same and to incur such other expenses as may be deemed necessary to carry into effect the provisions of this act. It shall also fix the salary of the secretary, not to exceed the sum of $2,400 per annum, and the sum to be paid to other members of said board, not to exceed $10 per diem each, for each and every day of actual service in the discharge of official duties, and said board may, in its discretion, add to said sums necessary traveling expenses. All money in excess of the actual expenses of the board shall be paid annually into the treasuries of the respective state medical societies and shall be prorated according to the number of representatives of each school among the applicants examined.

Sec. 12. Illegal Practice. Any person practicing medicine or surgery in this state without having, at the time of so practicing, a valid, unrevoked certificate, as provided in this act, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than $100 nor more than $500, or by imprisonment for a term of not less than sixty days nor more than 108 days, or by both such fine and imprisonment. In each such conviction one-half of the fine shall be paid, when collected, to the prosecuting witness or witnesses and the other half shall be paid into the school fund of the county or city and county in which such conviction is had.

Sec. 13. Unauthorized Registration. Every person filing for record, or attempting to file for record, the certificate issued to another, falsely claiming himself to be the person named in such certificate, or falsely claiming himself to be the person entitled to the same, shall be guilty of felony, and upon conviction thereof shall be subject to such penalties as are provided by the laws of this state for the crime of forgery.

Sec. 14. False Representation. Any person assuming to act as a member of a state board of medical examiners, or who shall sign or subscribe or issue, or cause to be issued, or seal or cause to be sealed, a certificate authorizing any person to practice medicine or surgery in this state, except the person so acting and doing shall have been elected a member of said board of medical examiners, as in this act provided, shall be guilty of a misdemeanor and shall be punished by a fine of not less than $100 nor more than $500, or by imprisonment in the county jail for a term of not less than sixty nor more than 180 days, or by both such fine and imprisonment.

Sec. 15. Previous Registration. Any person who holds a certificate from one of the boards of examiners heretofore existing, under the provisions of "An act to regulate the practice of medicine in the State of California," approved April 3, 1876, or an act supplemental and amendatory to said act, which became a law April 1, 1878, shall be entitled to practice medicine and surgery in this state, the same as if it had been issued under this act; but all such certificates may be revoked for unprofessional conduct in the same manner and upon the same grounds as if they had been issued under this act.

Sec. 16. Definition. The following persons shall be deemed as practicing medicine or surgery within the meaning of this act:

1. Those who profess to be, or hold themselves out as being, engaged as doctors, physicians or surgeons in the treatment of disease, injury or deformity of human beings.

2. Those who, for pecuniary or valuable consideration, shall prescribe medicine, magnetism or electricity in the treatment of disease, injury or deformity of human beings.

3. Those who, for pecuniary or valuable consideration, shall employ surgical or medical means or appliances for the treatment of disease, injury or deformity of human beings, except dealers in surgical, dental and optical appliances

4. [Those who, for pecuniary or valuable consideration, prescribe or use any drug or medicine, appliance or medical or surgical treatment, or perform any operation for the relief of cure of any bodily injury or disease.]

The doing of any of the acts in this section mentioned shall be taken to be prima facie evidence of an intent on the part of the person doing any of said acts to represent himself as engaged in the practice of medicine or surgery, or both; but nothing in this act shall be so construed as to inhibit service in the case of emergency or the domestic administration of family remedies; nor shall this act apply to any commissioned medical officer in the United States army, navy or marine hospital service, in the discharge of his professional duties, nor to any legally qualified dentist when engaged exclusively in the practice of dentistry, nor to any physician or surgeon from another state or territory when in actual consultation with a legal practitioner of this state, if such physician or surgeon is, at the time of such consultation, a legal practitioner of medicine or surgery in the state or territory in which he resides; nor to any physician or surgeon residing on the border of a neighboring state and duly authorized under the laws thereof to practice medicine or surgery therein whose practice extends within the limits of this state; provided that such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this state.

Sec. 17. Repeal. An act entitled "An act to regulate the practice of medicine in the State of California," approved April 3, 1876, and an act entitled "An act supplemental to and amendatory of an act entitled 'An act to regulate the practice of medicine in the State of California,' April 3, 1876," which became a law April 1, 1878, and all acts and parts of acts in conflict with this act are hereby repealed.

Sec. 18. This act shall take effect from and after the first day [of August] 1901.

THE COLORADO MEDICAL REGISTRATION ACT, APRIL, 1905.

Section 1. A board is hereby established, to be known by the name and style of the State Board of Medical Examiners. Said board shall be composed of nine practicing physicians of integrity and ability, who shall be residents of and have been duly licensed to practice medicine in this State, and who shall have been graduated from medical schools of high educational requirements and standing, and have been engaged in the active practice of their profession within this State for a period of at least five years. Said board shall perform such duties and possess and exercise such powers relative to the protection of the public health and the control and regulation of the practice of medicine in this State as shall be in this act prescribed and conferred on it.

Sec. 2. The governor shall appoint nine physicians, who shall possess the qualifications specified in section 1 of this act, to constitute the members of said board. Said members shall be so classified by the governor that the term of office of three shall expire in two, three in four and three in six years from the date of appointment. Biennially thereafter the governor shall appoint three members, who shall possess the qualifications as specified in section 1 of this act, each to serve for the term of six years, and he shall fill vacancies in the membership of said board as soon as practicable.

Sec. 3. Said board shall biennially elect a president, a vice-president and a secretary-treasurer from their membership, and adopt a seal, which shall be affixed to all licenses issued by them. They shall, from time to time, adopt such rules and regulations as they may deem necessary for the performance of their duties and a schedule of minimum educational requirements, which shall be without prejudice, partiality or discrimination as to schools or systems of practice of medicine. When an applicant for a license offers to the board satisfactory proof that he has complied with such educational requirements as are specified in said schedule, the board shall accept such proof as sufficient evidence of the educational qualifications of the applicant to entitle him to a license without examination; provided, however, that at no time shall said schedule for graduates after January 1, 1900, specify the attendance on less than four full courses of instruction in four separate years in a reputable medical school. They shall keep on file with the secretary of State for public inspection a copy of their schedule of educational requirements and rules and regulations.

Sec. 4. Any person wishing to obtain the right to practice medicine in this State, who has not heretofore been licensed so to do, shall, before it shall be lawful for him to practice medicine in this State, make application to said State Board of Medical Examiners, through the secretary-treasurer thereof, on such form and in such manner as shall be adopted and prescribed by the board and obtain from the board a license so to do. Unless such person shall have obtained a license as aforesaid, it shall be unlawful for him to practice medicine in this State; and if he shall practice medicine in this State without first having obtained such a license he shall be deemed to have violated the provisions of this act. All applicants for a license to practice medicine or for a renewal of any such license which has been revoked shall furnish the board with satisfactory evidence of good moral character.

Sec. 5. Said board shall have authority to administer oaths, to summon witnesses and to take testimony in all matters relating to their duties. Said board shall issue licenses to practice medicine to all persons who shall furnish satisfactory evidence of attainments and qualifications under the provisions of this act and the rules and regulations of the board. Such licenses shall be signed by the president and attested by the secretary-treasurer of the board under its adopted seal, and they shall be absolute authority to the persons to whom they are issued to practice medicine in this State. It shall be the duty of the secretary-treasurer, under the direction of the board, personally or by deputy, to aid the several district attorneys of the State in the enforcement of this act and in the prosecution of all persons charged with violating any of its provisions.

Sec. 6. There shall be paid to the secretary-treasurer of the State Board of Medical Examiners by each applicant for a license a fee of $25, which shall accompany the application. Two-fifths of the fee shall be returned to the applicant in case the board shall refuse to grant him a license.

Sec. 7. Examinations of applicants for license to practice medicine shall be made by said State Board of Medical Examiners according to the methods deemed by it to be the most practicable and expeditious to test the applicant's qualifications. Such applicant will be designated by a number instead of his name, so that his identity will not be disclosed to the members of the board until after the examination papers are graded. The subjects of written, oral or clinical examinations shall be as follows: Anatomy, physiology, chemistry, symptomatology, toxicology, pathology, surgery and obstetrics (exclusive of materia medica and therapeutics). The credentials of applicants relating to their general reputation, their preliminary education and the courses of study they have pursued, the degrees they have received, the number of years they have been engaged in the lawful practice of medicine, their experience in general hospitals, medical departments of the army, navy and public health and marine hospital service, licenses granted to them by other States and countries, and their experience as teachers of medicine, shall be given due consideration by the board in conducting its examinations. On investigation of an applicant's credentials the board shall, when convinced that an applicant is qualified to practice medicine, grant him a license theron without further examination. Each applicant shall name his system of practice and no person shall use the name of any system unless he holds a certificate from the State association of such system.

Sec. 8. Every person who shall receive a license from the State Board of Medical Examiners shall have it recorded in the office of the recorder of deeds of the county in which he resides, and shall likewise have it recorded in the counties to which he shall subsequently remove for the purpose of practicing medicine. The failure on the part of the holder of a license to have it recorded before he shall begin the practice of medicine in this State shall render it null and void.

Sec. 9. The recorder of deeds of each county in this State shall keep for public inspection, in a book provided for that purpose, a complete list and description of the licenses recorded by him. When any such license shall be presented to him for record he shall stamp or write on the face thereof his signed memorandum of the date when such license was presented for record.

Sec. 10. The State Board of Medical Examiners may refuse to grant or may revoke a license to practice medicine in this State, or may cause a licentiate's name to be removed from the record in the office of any recorder of deeds in the State on the following grounds, to-wit: The employment of fraud or deception in applying for a license or in passing the examination provided for in this act; the practice of medicine under a false or assumed name, or the personation of another practitioner of a like or different name; the conviction of a crime involving moral turpitude; habitual intemperance in the use of ardent spirits, narcotics or stimulants to such an extent as to incapacitate for performance of professional duties; the procuring or aiding or abetting in procuring a criminal abortion; the obtaining of a fee on the representation that a manifestly incurable disease can be permanently cured; causing the publication and circulation of an advertisement of any medicine or means whereby the monthly periods of women can be regulated, or the menses, if suppressed, can be re-established; causing the publication and circulation of an advertisement relative to any disease of the sexual organs. Any person who is a licentiate, or who is an applicant for a license to practice medicine, against whom any of the foregoing grounds for revoking or refusing to grant a license is presented to said board with a view of having the board revoke or refuse to grant a license, shall be furnished with a copy of the complaint, and shall have a hearing before said board, in person or by attorney, and witnesses may be examined by said board respecting the guilt or innocence of said accused. Said board may at any time within two years from the refusal or revocation of a license or cancellation of registration under this section, by a majority vote, issue a new license or grant a license to the person affected, restoring or conferring all the rights and privileges of and pertaining to the practice of medicine as defined and regulated by this act. Any person to whom such rights and privileges have been so restored shall pay to the secretary-treasurer a fee of $10 on the issuance of a new license.

Sec. 11. The terms "practice of medicine," "to practice medicine," "practicing medicine" and "practice medicine," as used in this act, are each hereby defined to mean holding oneself out to the public as being engaged within this State in the diagnosis and treatment of diseases or injuries of human beings, or the suggestion, recommendation or prescribing of any form of treatment for the intended palliation, relief or cure of any physical or mental ailment of any person, with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever; or the maintenance of an office for the reception, examination and treatment of any person suffering from disease or injury of body or mind; or attaching the title M.D., surgeon, doctor or any other word or abbreviation to his name indicative that such person is engaged in the treatment or diagnosis of the diseases or injuries of human beings. If any person shall hold himself out to the public as being engaged within this State in the diagnosis and treatment of diseases or injuries of human beings, or shall suggest, recommend or prescribe any form of treatment for the palliation, relief or cure of any physical or mental ailment of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever, or shall maintain an office for the reception, examination and treatment of diseased or injured human beings, or shall attach the title of M.D., surgeon, doctor or any other word or abbreviation to his name indicative that he is engaged in this State in the treatment of diseased or injured human beings, and shall not, in any of these cases, theretofore have received, or shall not, in any of these cases, then possess, in full force and virtue, a valid license to practice medicine under the laws of this State, he shall be deemed to be practicing medicine without complying with the provisions of this act and in violation hereof. Nothing in this act shall be construed to prohibit gratuitous service in case of emergency, nor the practice of the religious tenets or general beliefs of any church whatsoever not prescribing medicine or administering drugs, nor shall it apply to commissioned surgeons of the United States army, navy or public health and marine-hospital service, while so engaged, nor to regularly licensed physicians called from other States or Territories to attend specific cases in this State, nor the practice of dentistry, nor the practice of osteopathy when not prescribing medicine or administering drugs.

Sec. 12. Any person practicing medicine in this State without complying with the provisions of this act, or any person who shall have violated the provisions of this act, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than $50 nor more than $300, or by imprisonment in the county jail for not less

than ten days nor more than thirty days, or both. Any person presenting or attempting to file, as his own, the diploma or certificate or credentials of another, or who shall give either false or forged evidence of any kind to the State Board of Medical Examiners or any member thereof in connection with an application for a license to practice medicine, or who shall practice medicine under a false or assumed name, or who shall falsely personate another practitioner of a like or different name, shall be deemed guilty of a felony, and on conviction thereof shall be punished by imprisonment in the State Penitentiary for a term of not less than one year nor more than ten years at hard labor.

Sec. 13. All fees received by the State Board of Medical Examiners and all fines collected by any officer of the law under this act shall be paid to the secretary-treasurer of said board, who shall, at the end of each and every month, deposit the same with the State treasurer, and the said State treasurer shall place said money so received in a special fund, to be known as the fund of the State Board of Medical Examiners, and shall pay the same out on warrants drawn by the auditor of the State therefor on vouchers issued and signed by the president and secretary-treasurer of said board. Said moneys so received and placed in said fund may be used by the State Board of Medical Examiners in defraying their expenses in carrying out the provisions of this act. At the end of every biennial period, if there shall remain in said fund any balance, said balance shall be transferred to the general revenue fund of the State. The secretary-treasurer of said board shall keep a true and accurate account of all funds received and all vouchers issued by the board, and on the first day of December of each year he shall file with the governor of the State a report of all receipts and disbursements for said board for the preceding fiscal year. Members of said board shall receive a per diem for the time during which they shall be actually engaged in the discharge of their duties, and the secretary-treasurer shall receive a salary, said per diem and salary shall be fixed by the board and, together with all other expenses, shall be paid out of the fund of the State Board of Medical Examiners.

Sec. 14. The State Board of Medical Examiners shall meet as a Board of Medical Examiners in the city of Denver on the first Tuesday of January, April, July and October of each year, and at such other times and places as may be found necessary for the performance of their duties.

Sec. 15. Justices of the peace and all courts of record in the State of Colorado shall have full jurisdiction over and power to enforce the provisions of this act.

THE CONNECTICUT MEDICAL PRACTICE ACT, AS IT STANDS AT PRESENT, WITH AMENDMENTS.

Section 4714. Who May Practice Medicine, Surgery or Midwifery.—No person shall, for compensation, gain or reward, received or expected, treat, operate or prescribe for any injury, deformity, ailment or disease, actual or imaginary, of another person, nor practice surgery or midwifery, until he has obtained such a certificate of registration as is in section 4715 provided, and then only in the kind or branch of practice stated in said certificate; but this chapter shall not apply to dentists while practicing dentistry only, nor to any person in the employ of the United States government while acting in the scope of his employment, nor to any person who shall furnish medical or surgical assistance in cases of sudden emergency, nor to any person residing out of this State who shall be employed to come into the state to assist or consult with any physician or surgeon who has been registered in conformity with the provisions of this chapter, nor to any physician or surgeon then actually residing out of this State who shall be employed to come into this State to treat, operate or prescribe for any injury, deformity, ailment or disease from which any person is suffering at the time when such non-resident physician or surgeon is so employed, nor to any actual resident of this State recommending by advertisement or otherwise the use of proprietary remedies sold under trademarks issued by the United States government, in so far and to such extent only as the use of such remedies are concerned, nor to any chiropodist or clairvoyant who does not use in his practice any drugs, medicines or poison, nor to any person practicing the massage method or Swedish movement cure, sun cure, mind cure, magnetic healing or Christian Science, nor to any other person who does not use or prescribe in his treatment of mankind drugs, poisons, medicines, chemicals or nostrums.

Sec. 4715. Requirements for Obtaining Certificate of Registration.—No person shall obtain a certificate of registration as in section 4714 required until he has passed a satisfactory examination before one of the examining committee appointed for the purpose by the State Board of Health, nor until he has filed with said board duplicate certificates signed by a majority of said examining committee, stating that they have found him qualified to practice either medicine, surgery or midwifery, nor until he has filed with said board duplicate statements subscribed and sworn to by him on blanks furnished by said board, giving his name, age, place of birth and present residence, stating of what medical college he is a graduate and the date of such graduation, together with such other information as shall be required by said blanks. No person shall be eligible to said examination until he presents to the committee by whom he is to be examined satisfactory evidence that he has received a diploma from some legally-incorporated medical college. Any person passing such examination and filing said certificates and statements shall receive from said State Board of Health, on payment of $2, a certificate of registration, which shall state that the person named has been found qualified to practice.

Sec. 4716. Nomination and Appointment of Members of Examining Committees. — The Connecticut Medical Society, the Connecticut Homeopathic Medical Society and the Connecticut Eclectic Medical Society shall each annually in December file with the State Board of Health the name of one physician, practicing in this State, who shall have been recommended by such medical society as a person competent to serve on one of the examining committees appointed by the State Board of Health, as specified in chapter 158 of the public acts of 1893, and in case any vacancy occurs on any of said examining committees the president of the society of whose members said committee is composed shall nominate such a person to fill said vacancy. Annually in January the State Board of Health shall appoint one member of each of said committees, who shall have been nominated for such office as aforesaid, to serve five years, and said board shall in the same manner fill any vacancy occurring in any of said committees.

Sec. 4717. Examination Through Interpreter.—Every examining committee provided for in section 4716 shall, when requested by an applicant for a certificate permitting said applicant to practice midwifery, if said applicant does not understand the English language, conduct the examination through an interpreter of the language which the applicant understands. Said interpreter shall be furnished and paid by the applicant and shall give the committee conducting the examination satisfactory proof of his ability correctly to translate the language of the applicant into English. Whenever such applicant shall have satisfactorily passed an examination, so conducted, a certificate of registration shall be issued as provided in section 4715.

Sec. 4718. Examinations.—Papers Recorded. —Lists of Colleges.—The said examining committees shall hold examinations on the second Tuesdays of March, July and November of each year, at such places as they may designate and at such other times and places as they shall determine. Applicants for certificates to practice medicine or surgery shall be examined in anatomy, physiology, medical chemistry, obstetrics, hygiene, surgery, pathology, diagnosis and therapeutics, including practice and materia medica. Each committee shall frame its own questions and conduct its examinations in writing, and both questions and answers shall be filed with the State Board of Health. Each applicant shall choose by which of the three committees he shall be examined; but before taking such examination he shall pay to the committee the sum of $15, provided that the fee for examination in midwifery alone shall be $10. An applicant rejected by an examining committee shall not be eligible to re-examination until after the expiration of twelve months. On the receipt of any duplicate statements, as in section 4715 provided, the State Board of Health shall transmit one of said duplicate statements, together with a duplicate of the certificate of registration in each case, to the town clerk of the town wherein the person so filing said statement resides; and in case such person does not reside in the State of Connecticut, the State Board of Health shall transmit said statement and certificate to the town clerk of the town in this State nearest to the place of residence of such person, and said town clerk shall record the same in a book to be provided for that purpose by the State Board of Health, and shall then return the same to the person who filed the same with the Board of Health, and said town clerk shall receive for such recording a fee of 25 cents, to be paid by the State Board of Health out of the amount so paid to it as aforesaid. The secretary of each of said medical societies shall file with the secretary of the State Board of Health a list of medical colleges or institutions recognized as legal and reputable by his society, or all of such secretaries may agree on a single list, and such list or lists may be corrected as may be necessary.

Sec. 4719. Exceptions.—Prescription in English.—Penalties.—Clerk.—Nothing in this chapter shall be construed to repeal or affect any of the provisions of any private charter. The provisions of this chapter shall not apply to licensed pharmacists. All physicians or surgeons practicing under the provisions of this chapter shall, when requested, write a duplicate of their prescriptions in the English language. Every person who violates the requirements of this section regarding prescriptions shall be fined $10 for each offense. Every person violating any provision of section 4714 shall be fined not less than $100 nor more than $300 for the first offense, and for each subsequent offense not less than $200 nor more than $500, or imprisoned in the county jail for not less than thirty nor more than ninety days, or both; the fine, when collected, shall be paid one-half to the person or corporation making the complaint and the other half to the State Board of Health. Every person who shall swear to any falsehood in any statement required by section 4715 to be filed with the State Board of Health shall be guilty of perjury. The State Board of Health may appoint a clerk and fix his salary, to be paid only out of the fees and penalties received under the provisions of this chapter.

Sec. 4720. Revocation of Certificate.—The secretary of the State Board of Health, upon the written request of all the members of any one of the examining committees mentioned in section 4716, may revoke and cancel the certificate of registration of any person convicted of any crime in the practice of his professional business, or convicted of a felony, but no one of the examining committees shall have the right to request the revocation and cancellation of a certificate granted on the examination of any one of the other examining committees.

This law was amended in 1903 as follows:

Section 1. Section 4715 of the General Statutes is hereby amended to read as follows: No person shall obtain a certificate of registration, as in section 4714 required, until he has passed a satisfactory examination before one of the examining committees appointed for the purpose by the State Board of Health, except as hereinafter provided, nor until he has filed with said board duplicate certificates signed by a majority of said examining committee, stating that they have found him qualified to practice either medicine, surgery or midwifery, nor until he has filed with said board duplicate statements subscribed and sworn to by him on blanks furnished by said board, giving his name, age, place of birth and present residence, stating of what medical college he is a graduate and the date of such graduation, together with such other information as shall be required by said blanks.

No person shall be eligible to said examination until he presents to the committee by whom he is to be examined satisfactory evidence that he has received a diploma from some legally-incorporated medical college.

Any one of the examining committees appointed under the provisions of section 4716 may accept the license of any State Board of Medical Examiners of any State in the United States or in the District of Columbia in lieu of said examination, provided the applicant shall present such license to the examining committee before whom he appears, together with satisfactory evidence that such license has been issued after a State examination of as high a grade and of the same kind as that required by said examining committee, that he is a resident of this State or that he intends in good faith to permanently reside herein, that he has been in actual practice for a period of at least six months in the year immediately preceding the date of his application, and that he is of good moral character and professional standing, and on the payment to said committee of the sum of $15 he may receive a certificate of the approval of such license by said examining committee.

Any person passing such examination or obtaining such certificate of approval and filing said certificates and statements shall receive from said State Board of Health, on payment of $2, a certificate of registration, which shall state that the person named has been found qualified so to practice.

Sec. 2. Section 4718 of the General Statutes is hereby amended by striking out in the thirteenth and fourteenth lines thereof the following words: "An applicant rejected by an examining committee shall not be eligible to re-examination until after the expiration of twelve months," and inserting in lieu thereof the following: "An applicant rejected by an examining committee shall not be eligible to examination before either of the other examining committees until after the expiration of twelve months, but may be re-examined by the committee before whom he

appeared at any subsequent meeting of said committee."

Sec. 3. This act shall take effect from its passage.

MEDICAL PRACTICE ACT.

Passed April 18, 1895.

AN ACT

Regulating the Practice of Medicine and Surgery in this State.

Whereas, The safety of the public may be endangered by incompetent physicians and surgeons, and due regard for public health and the preservation of human life depends that none but competent and properly qualified physicians and surgeons shall be allowed to practice their profession, therefore,

Be it enacted by the Senate and House of Representatives of the State of Delaware in General Assembly met:

Section 1. That there shall be established a Medical Council of Delaware, consisting of the Chief Justice of the State and of the Presidents of the two State Boards of Medical Examiners provided for in this act.

Sec. 2. The said Council shall be known by the name and style of the "Medical Council of Delaware," and may make and adopt all necessary rules, regulations and by-laws for their own government, not inconsistent with the laws of this State or of the United States, and shall have power to locate and maintain an office within this State for the transaction of business. Two members of said Council shall constitute a quorum for the transaction of business.

Sec. 3. The said Council shall organize within ten days from the date of the organization of the two Boards of Medical Examiners, and shall elect from its own number a president and a secretary, who shall also act as treasurer, both of whom shall hold their offices for one year, or until their successors are chosen.

Sec. 4. The members of said Council shall receive, in addition to their necessary expenses, five dollars per day each for each meeting of the Council, but said per diem shall not exceed in any one year more than fifteen dollars, the same to be paid out of the fees hereinafter provided for.

Sec. 5. The said Medical Council shall hold two stated meetings in each year, and may hold special meetings at such times as it may deem proper. It shall issue certificates for license to practice medicine and surgery to such applicants as have presented such diplomas as hereinafter required and successfully passed the examination hereinafter provided, and the said Medical Council shall have no powers, duties or functions except as provided for in this act.

Sec. 6. That from and after the passage of this act there shall be, and continue to be, two separate Boards of Medical Examiners for the State of Delaware, one representing "The President and Fellows of the Medical Society of Delaware," and the other "The Homeopathic Medical Society of Delaware State and Peninsula."

Each board shall consist of five members, and each of said number shall serve for a term of two years from the first day of March next after appointment, with the exception of those first appointed, who shall serve as follows, namely: two of each board for one year, and three of each board for two years, from the first day of March, A. D. 1895.

The Governor shall appoint the members of said Board of Examiners, respectively, from the lists of members submitted by said medical societies residing in this state, which lists shall, within ten days from the passage of this act, and on or before the first day of every January thereafter, be transmitted to the Governor under the seal and signed by the secretary of the society so nominating.

From these lists of nominees, respectively, the Governor shall, within ten days after the receipt thereof appoint two separate Boards of Medical Examiners, each board to be composed exclusively of members of the same medical society. In case of the failure of either of the said societies to submit lists as aforesaid, the Governor shall appoint members in good standing of the corresponding society entitled to nominate without other restrictions.

Each one of the said appointees must be a registered physician in good standing, and shall have practiced medicine or surgery under the laws of this State for a period of not less than five years prior to such appointment.

The Governor shall fill vacancies by death or otherwise* for unexpired terms of said examiners from the lists submitted as aforesaid, and may remove any member of either of said boards for continued neglect of the duties required by this act, or on recommendation of the medical society of which said member may be in affiliation for unprofessional or dishonorable conduct.

The Governor shall in his first appointments designate the number of years for which each appointee shall serve.

The appointments of successors to those members whose terms of office will expire on the first day of March of each year shall be made by the Governor during the first ten days of January of such year, on the same conditions and requirements as hereinbefore specified with reference to the appointment of two separate examining boards, each to be composed exclusively of members of the same medical society, as hereinbefore provided.

Sec. 7. Said boards shall be known by the name and style of "Boards of Medical Examiners of the State of Delaware." Every person who shall be appointed to serve on either of said boards shall receive a certificate of appointment from the Secretary of State under his hand. Each of said boards of examiners shall make and adopt all necessary rules, regulations and by-laws, not inconsistent with the laws of this state or of the United States, whereby to perform the duties and transact the business required under the provisions of this act.

Sec. 8. From the fees provided by this act the Medical Council shall pay, not to exceed said income, all proper expenses incurred by its provisions; and if any surplus above said expenses shall remain at the end of any year, it shall be apportioned among said medical societies pro rata according to the number of candidates examined by each.

Sec. 9. The first meeting of each of the examining boards, respectively, shall be held on the first Tuesday of July, 1895. At such meeting of each of the boards, respectively, an organization shall be effected by the election from their own membership of a president and secretary, for the purpose of examining applicants for certificate for license. Each of said boards of medical examiners shall hold two or more stated or special meetings in each year, due notice of which shall be made public at such times and places as they may determine. At said stated or special meetings a majority of the members of either board shall constitute a quorum thereof, but the examination may be conducted by a committee duly authorized by said boards.

Sec. 10. Each Board of Medical Examiners, not less than one week prior to each examination, shall submit to the Medical Council of Delaware questions for thorough examinations in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica.

The Medical Council shall select the questions for such examinations from the lists of questions submitted by the Board of Medical Examiners of the candidate's election; and should there be candidates for examination of any other school than the two designated in this act, they shall be examined by the Council and some reputable practitioner in this State of such school, by said Council to be selected, upon questions selected from standard text-books on the above subjects as taught by the school selected by the candidate.

Sec. 11. Said examinations shall be conducted in writing in accordance with the rules and regulations prescribed by the respective Boards of Medical Examiners, and shall embrace the subjects named in Section 10 of this act. After each examination the Board of Medical Examiners having charge thereof shall, without unnecessary delay, act on the same. An official report of such action, signed by the president, secretary and each acting member of said Board of Medical Examiners, stating the result of examination, shall be transmitted to the Medical Council.

Sec. 12. On receiving from either of said Boards of Medical Examiners such official report of the examination of any applicant for certificate for license, the Medical Council shall issue forthwith to each applicant who shall have been returned as having successfully passed the examination a certificate to that effect.

The Medical Council shall keep a record of all certificates, when and to whom issued.

Sec. 13. From and after the passage of this act any person not heretofore authorized to practice medicine and surgery in this State, and desiring to enter upon such practice, shall deliver to the Secretary of the Medical Council, upon the payment of a fee of ten ($10) dollars, a written application for examination, together with satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has received a diploma conferring the degree of medicine from some legally incorporated medical college. Applicants who have received their degree in medicine after the passage of this act must have pursued the study of medicine for at least four years, including three regular courses of lectures in different years, in some legally incorporated medical college or colleges prior to the granting of said diploma. Such proof, if required, shall be made upon affidavit. Upon making of said payment and proof, the Medical Council shall issue to said applicant an order for examination before such one of the State Boards of Medical Examiners as the applicant for certificate may select. In case of failure at any such examination the candidate, after the expiration of six months and within two years, shall have the privilege of a second examination by the same board to which application was first made, without the payment of an additional fee, but if after six months and before two years from such examination said application shall be withdrawn the said ten ($10) dollars shall upon demand be returned.

Sec. 14. That from and after the passage of this Act, it shall not be lawful for any person to practice Medicine or Surgery in this State without having obtained a license therefor as hereinafter provided.

Sec. 15. The Clerk of the Peace of any of the Counties of this State shall issue a license signed by the Governor and countersigned by the Secretary of State and sealed with the seal of his office, certifying that such person is authorized to practice medicine and surgery in this State, conformably to the laws thereof, to any person who shall present to him a certificate as provided in this Act, or who shall have been qualified in one of the counties of this State prior to the passage of this Act, and to no other person.

Sec. 16. The provisions of this Act shall not apply to physicians who are practitioners of any other State coming into this State in consultation with any lawful practitioner of medicine and surgery in this State.

Sec. 17. Any person practicing or attempting to practice medicine or surgery within this State contrary to the provisions of this Act, shall be guilty of a misdemeanor and upon conviction thereof in the Court of General Sessions of the Peace and Jail delivery of the County wherein the offense was committed, shall pay a fine of not more than five hundred ($500.00) dollars nor less than one hundred ($100.00) dollars or be imprisoned for a term of not more than one year.

Sec. 18. That this Act shall not in any way apply to dentists or to dental surgery.

Sec. 19. All other Acts or parts of Acts regulating the practice of medicine and surgery in this State are hereby repealed; but nothing herein contained shall in any way interfere with the operation of Chapter 117, Volume 13, Laws of Delaware, relating to revenue.

Passed at Dover, April 18, 1895.

A SUPPLEMENT TO AN ACT ENTITLED "AN ACT REGULATING THE PRACTICE OF MEDICINE AND SURGERY IN THIS STATE," PASSED AT DOVER, APRIL 18, 1895.

Be it enacted by the Senate and House of Representatives of the State of Delaware, in General Assembly met:

Section 1. That the Medical Council of Delaware may refuse to issue a certificate for a license to practice medicine and surgery or may revoke a certificate issued for a license to practice medicine or surgery for the following causes, to wit: Chronic and persistent inebriety, the practice of criminal abortion; conviction of a crime involving moral turpitude or for publicly advertising special ability to treat or cure chronic incurable diseases, or where any person shall present to the said Medical Council any diploma, license or certificate that shall have been illegally obtained or that shall have been signed or issued unlawfully or under fraudulent representation; in complaints for violating the provisions of this section the accused person shall be furnished with a copy of the complaint and given a hearing before the said Medical Council in person or by attorney.

Sec. 2. That applicants examined and licensed by or who are or have been members of State Examining and Licensing Boards of other States upon the payment of fifty dollars to the Treasurer of the Medical Council of Delaware, and on filing with the Secretary of said Medical Council a copy of his or her license or certificate certified to by the affidavit of the President and Secretary of such Board, showing also that the standard of requirements of the said Board at the time the said license or certificate was issued, was substantially the same as that required by the said Medical Council of Delaware, and of his or her affidavit as to the personality thereof, may be granted a certificate for a license to practice medicine and surgery by the said Medical Council, upon the recommendation of the said Boards of Medical Examiners without further examinations thereby.

Sec. 3. That the State Treasurer shall pay the sum of three hundred dollars per annum, in quarterly payments of seventy-five dollars each, to the Treasurer of the Medical Council of Delaware, who shall apportion and pay the same to the members of the said boards for their necessary expenses, and in addition five dollars per day each for each member for every meeting attended, but said per diem shall not exceed in any one year more than twenty-five dollars.

MEDICAL PRACTICE ACT.

AN ACT

To Regulate the Practice of Medicine and Surgery, to License Physicians and Surgeons, and to Punish Persons Violating the Provisions Thereof in the District of Columbia.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled:

That there shall be, and is hereby, created a board of medical supervisors of the District of Columbia, which shall consist of the presidents of the three boards of medical examiners hereinafter provided for and two persons, not physicians, one of whom shall be learned in the law, to be appointed by the Commissioners of the District of Columbia, each for a period of three years, or until his successor is appointed: Provided, That not more than two members of the board of supervisors shall be adherents of any one system of medical practice; and provided, further, That said commissioners may remove, after due notice and hearing, any member of said board for neglect of duty or other just cause, and that in case of the death, resignation, or removal of any member the vacancy for the unexpired term of said member shall be filled in the same manner as other appointments are made.

Section 2. That the said board of medical supervisors shall elect a president, a vice-president, and a secretary. Said board shall make, subject to the approval of the Commissioners of the District of Columbia, such regulations as may be necessary to carry into effect the provisions of this act. Said board shall hold such meetings as may be necessary for the transaction of business. Said board shall supervise all examinations provided for in this act, and shall issue all licenses to practice medicine and surgery or midwifery in the District of Columbia. Said board shall keep an official record of its meetings, also an official register of all applicants for examination for licenses to practice medicine and surgery in the District of Columbia. Said register shall show the name, age, place, and duration of residence of each candidate, the time he or she has spent in medical study, in or out of medical schools, and the names and locations of all medical schools which have granted said applicant any degree or certificate of attendance upon lectures in medicine. Said register shall also show whether said applicant was rejected or licensed under this act. Said register shall be prima facie evidence of all matters contained therein. The secretary aforesaid may be elected by said board from others than its own members; said secretary shall also act as treasurer, and shall give such bond as may be required by the Commissioners of the District of Columbia; said secretary shall have the power to administer oaths upon such matters as pertain to the business of said board; said secretary shall mail to the address of each applicant a notice of the time and place of examination, not less than seven days before the examination, and at a longer period if requested by the applicant at the time of making application.

Sec. 3. That from and after the passage of this act all persons desiring to practice medicine and surgery in any of their branches in the District of Columbia shall apply to said board of medical supervisors for a license to do so. Applicants shall submit to examination upon the following-named branches, to-wit: Anatomy, physiology, chemistry, pathology, materia medica and therapeutics, hygiene, histology, practice of medicine, surgery, obstetrics and gynecology, diseases of the eye and the ear, medical jurisprudence, and such other branches as said board shall deem advisable. Each applicant shall be certified by said board for examination as speedily as possible to the board of medical examiners whose members are adherents to the system of medicine which said applicant desires to practice; but said board shall not certify for examination any applicant until satisfactory proof is furnished that he or she is of good moral character and over twenty-one years of age, nor until he or she has presented a diploma conferring upon him or her the degree of doctor of medicine, issued by some medical college authorized by law to confer such degree: Provided, That said diploma, if issued prior to July 1, 1898, shall be accompanied by satisfactory evidence that said applicant has studied medicine and surgery for not less than three years prior to the issue thereof, and if issued subsequent to June 30, 1898, shall be accompanied by satisfactory evidence that the applicant has studied medicine and surgery for not less than four years prior to the issue of said diploma. All examinations shall be both theoretical and practical, and of sufficient severity to test a candidate's fitness to practice medicine and surgery.

Sec. 4. That said application for a license to practice medicine and surgery in the District of Columbia shall be made to the secretary of said Board of Medical Supervisors upon a form prescribed by said board, and shall be accompanied by a fee of $10. Each application shall be in the hands of said secretary not less than two weeks before the day set for examination, and any application may be rejected for refusal to furnish any of the information called for or for other irregularity. All applications shall be kept on file by said secretary.

Sec. 5. That immediately after the passage of this Act the Commissioners of the District of Columbia shall appoint three Boards of Medical Examiners, one to be known as the Board of Medical Examiners of the District of Columbia and to be composed of five physicians in good standing, adherents to the regular system of medical practice; one to be known as the Board of Homeopathic Medical Examiners of the District of Columbia and to be composed of five physicians in good standing, adherents to the homeopathic system of medical practice, to be selected from a list of not less than ten names, submitted by a majority vote at some regular meeting of the Washington Homeopathic Medical Society, and one to be known as the Board of Eclectic Medical Examiners of the District of Columbia, to be composed of five physicians in good standing, adherents to the eclectic system of medical practice, to be selected from a list of not less than ten names, submitted by a majority vote at some regular meeting of the Eclectic Medical Society of the District of Columbia. Of the members of each board first appointed one shall be appointed to serve one year, two to serve two years, and two to serve three years, and thereafter each member of each board shall be appointed to serve three years, or until his successor is appointed; Provided, That no member of either of said boards shall have been engaged in the practice of medicine and surgery in the District of Columbia for less than five years at the time of his appointment: And provided further, That in event of the failure of the Washington Homeopathic Medical Society or of the Eclectic Medical Society of the District of Columbia, after fifteen days' notice by the Commissioners of the District of Columbia, to submit the list of names aforesaid, said Commissioners may appoint the members of the Board of Homeopathic Medical Examiners or of the Board of Eclectic Medical Examiners without restriction as to nomination by the society in default: And provided further, That said Commissioners may at any time remove any member of either of the boards named in this act for neglect of duty or other just cause, and that in case of the death, resignation or removal of any member the vacancy for the unexpired term of said member shall be filled in the same manner as other appointments are made.

Sec. 6. That each member of said Boards of Medical Examiners of the District of Columbia shall, before entering on the discharge of his duties, take an oath to administer fairly and impartially the provisions of this act. Each board shall elect from its own members a president and a secretary. Each board shall hold a meeting for examination in the city of Washington on the second Thursday in January, April, July and October of each year, and continuing so long as may be necessary to examine all applicants, and other meetings shall be held at such times as the Board of Medical Supervisors shall direct. Each of said boards shall examine, at the meeting immediately following the receipt of the proper certificates from the Board of Medical Supervisors, all applicants for licenses to practice medicine and surgery in the District of Columbia so certified.

Sec. 7. That the several Boards of Medical Examiners shall, not less than one week prior to each examination, submit to the Board of Medical Supervisors of the District of Columbia questions for thorough examinations in anatomy, physiology, chemistry, pathology, materia medica and therapeutics, hygiene, histology, practice of medicine, surgery, obstetrics and gynecology, diseases of the eye and the ear, medical jurisprudence and such other branches as said Board of Medical Supervisors may direct. From the lists of questions so submitted said Board of Medical Supervisors shall select the questions for each examination, and such questions shall be the same for all candidates, except that in the departments of therapeutics, practice of medicine, and materia medica, the questions shall be in harmony with the system of medicine selected by the candidate. Said examinations shall be conducted orally and in writing, in accordance with the rules and regulations prescribed by the Board of Medical Supervisors, and shall embrace the subjects as stated in section 3 of this act. An official report of the result of each examination, signed by the president and the secretary and each acting member of the Board of Medical Examiners conducting such examination, stating the average attained by each candidate in each branch, the general average, and the result of the examination, whether successful or unsuccessful, shall be transmitted to the Board of Medical Supervisors within fifteen days from the date of such examination. Said report shall embrace all the examination papers, questions and answers thereto. All such examination papers shall be kept for reference and inspection for a period of not less than five years.

Sec. 8. That if in the opinion of a majority of the Board of Medical Supervisors, after a careful examination of the report of the Board of Medical Examiners by which any applicant was examined, said applicant has fairly and successfully passed such examination as hereinbefore provided for, the Board of Medical Supervisors of the District of Columbia shall, as soon thereafter as possible, issue to him a license signed by the president and the secretary of said board and attested by the seal of the District of Columbia, which license shall entitle said applicant, after it is registered as hereinafter provided to practice medicine and surgery in the District of Columbia: Provided, That a license shall be issued upon application, free of cost and without examination, to each physician who is registered at the Health Office of the District of Columbia at the time of the passage of this act, and to physicians who may change their residence to the District of Columbia from any state or territory where medical laws and medical examining boards exist, the presentation of a certificate or license from a medical examining board, if found upon due inquiry to be true and genuine, being sufficient evidence of right to registration and certification under the provisions of this act: Provided, That the medical laws and examining boards of such states and territories grant equal rights and recognition to the licentiates of the board herein created. All licenses issued by said board shall be numbered consecutively, and a register shall be kept by the secretary showing the number of each issue, and date of issue and to whom issued.

Sec. 9. That the Board of Medical Supervisors of the District of Columbia shall make, subject to the approval of the Commissioners of said District, such regulations

as may be necessary to determine the qualifications of women desiring hereafter to commence the practice of midwifery in the District of Columbia, and shall issue licenses to such as are, after examination, found qualified; but no fee shall be charged for the examination of any applicant for such licenses, and no applicant who has been rejected shall be re-examined within one year from such rejection: Provided, That a license shall be issued upon application, free of cost and without examination, to each midwife registered at the Health Office of the District of Columbia at the time of the passage of this act.

Sec. 10. That the Board of Medical Supervisors of the District of Columbia may, by a vote of four members, refuse to grant or may revoke a license, and may cause the name of any person to be removed from the record of the Supreme Court of the District of Columbia and from the register of the Health Office for any of the following causes, to-wit: The employment of fraud or deception in passing the examinations provided for in this act, chronic inebriety, the practice of criminal abortion, conviction of crime involving moral turpitude, or of unprofessional or dishonorable conduct. In complaints under this section the accused shall be furnished with a copy of the complaint and given a hearing before said board in person or by attorney, and witnesses may be heard for and on behalf of the accused, and for and on behalf of the said board. Appeal from the decision of said board may be taken to the Court of Appeals of the District of Columbia, and the decision of said court shall be final. Said board may at any time within two years from the refusal or revocation of a license, or the cancellation of registration under this section, by a vote of four members, issue, without examination, a new license to the person so affected, restoring to him or her all the rights and privileges of which he or she had been deprived by said board.

Sec. 11. That any person receiving a license as hereinbefore provided shall have it recorded in the office of the clerk of the Supreme Court of the District of Columbia within three months from the date of said license, and the place and date of record shall be certified thereon by said clerk; and the holder of the license shall pay to the clerk of said court a fee of 50 cents for making the record. The holder of said license shall, after the same has been recorded, exhibit the same at the Health Office, and shall register, in a book provided for that purpose, his or her name and address. Whenever a license is revoked by said Board of Medical Supervisors the secretary thereof shall report that fact in writing to the clerk of said court and to the Health Officer of the District of Columbia, who shall thereupon cancel such registration.

Sec. 12. That this act shall not apply to commissioned surgeons of the United States Army, Navy or Marine-Hospital Service, nor to regularly licensed physicians and surgeons in actual consultation from other states or territories, nor to regularly licensed physicians and surgeons actually called from other states or territories to attend specified cases in the District of Columbia, nor to the treatment of any case of actual emergency, nor to the practice of massage or the so-called Swedish movement cure, nor to the use of ordinary domestic remedies without fee, gift or consideration of any kind.

Sec. 13. That from and after the passage of this act any person practicing medicine and surgery or midwifery in the District of Columbia, or who shall publicly profess to do so, without first having obtained from the Board of Medical Supervisors of the District of Columbia a license and registered the same as herein provided, or in violation of any of the provisions of this act or any of the rules and regulations made by authority conferred herein, or after his license or registration has been canceled by order of said Board of Medical Supervisors of the District of Columbia, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished for each offense by a fine of not less than $50 nor more than $500, or by imprisonment in the District jail for a period of not less than ten nor more than ninety days, or by both such fine and imprisonment. It shall be the duty of the United States district attorney for the District of Columbia to prosecute all violations of the provisions of this act.

Sec. 14. That the secretary of the Board of Medical Supervisors shall be paid for taking testimony the same fee that is allowed an examiner in chancery for the same service. The expense of said board and of the examinations shall be paid from the license fees herein provided for; and if any surplus remain on the 30th day of June of each year the members of said Board of Medical Supervisors appointed as such shall be paid such reasonable compensation as the Commissioners of the District of Columbia may determine, and any balance then remaining shall be divided among the three Boards of Medical Examiners in proportion to the number of candidates examined, each member of each Board of Medical Examiners to receive such part of the entire amount paid as that board itself shall determine.

Sec. 15. That nothing in this act shall be construed to conflict with an act for the regulation of the practice of dentistry in the District of Columbia, approved June 6, 1892, nor to interfere with graduates of standard dental colleges, registered under the provisions of said act, in the exercise of their profession to the extent and within the limits of the curriculum of such standard dental colleges.

Sec. 16. That all acts or parts of acts, general or special, not in accordance with the provisions of this act be, and are hereby, repealed.

Approved June 3, 1896.

AN ACT

To amend "An Act to regulate the practice of medicine and surgery, to license physicians and surgeons, and to punish persons violating the provisions thereof in the District of Columbia," approved June 3, 1896.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled:

That section 8 of "An Act to regulate the practice of medicine and surgery, to license physicians and surgeons, and to punish persons violating the provisions thereof in the District of Columbia," approved June 3, 1896, be amended by striking out the following words: "Provided, That a license shall be issued upon application, free of cost and without examination, to each physician who is registered at the Health Office of the District of Columbia at the time of the passage of this Act, and to physicians who may change their residence to the District of Columbia from any state or territory where medical laws and medical boards exist, the presentation of a certificate or license from a medical examining board, if found upon inquiry to be true and genuine, being sufficient evidence of right to registration and certification under the provisions of this Act: Provided, That the medical laws and examining boards of such states and territories grant equal rights and recognition to the licentiates of the board herein created," and by inserting in lieu thereof, after section 8, the following:

Sec. 8. (a) That the Board of Medical Supervisors of the District of Columbia be, and is hereby, authorized and directed to license to practice medicine and surgery in said District, without examination, any applicant for such license who has been engaged in the practice of medicine and surgery in any other jurisdiction, whether a state, territory or insular possession of the United States, or a foreign country, subject to the following conditions:

"(a) No applicant shall be licensed who is not of good moral character and free from mental defects and drug habits liable to interfere with the proper practice of medicine and surgery:

"(b) Nor who, at the time of making application, and for not less than two years prior to the date thereof, has not been lawfully authorized to practice medicine and surgery, and actually engaged in such practice, in the jurisdiction wherein he resides;

"(c) Nor unless the applicant acquired the right to practice medicine and surgery in such jurisdiction under conditions equivalent to those with which he would have had to comply in order then to have practiced medicine and surgery in the District of Columbia;

"(d) Nor unless the jurisdiction, by virtue of whose license the applicant seeks exemption from examination in the District of Columbia, grants to licentiates of the Board of Medical Supervisors of said District privileges equivalent to those which the applicants seek;

"(e) Nor until the applicant has paid to the Board of Medical Supervisors aforesaid such fee as may be fixed and required by the regulations of said board, but not more than the fee charged under similar circumstances by the jurisdiction by virtue of whose license the applicant seeks exemption from examination.

"And said Board of Medical Supervisors is further authorized and directed to issue in favor of its licentiates such certificates, if any, as may be necessary to enable such licentiates, without examination, to obtain licenses to practice medicine and surgery in other jurisdictions, and to collect for the issue of such certificates such fees as may be necessary to defray the cost of issuing the same and to use such fees for that purpose.

"And said Board of Medical Supervisors is further authorized to determine all matters of fact required to be determined in the execution of the provisions of this section."

MEDICAL PRACTICE ACT.

Law Effective May 31, 1889, and Sections 801, 802, 805 and 810 as amended by the Legislature of 1905 and approved by the governor May 15, 1905.

Be it enacted by the Legislature of the State of Florida:

Section 1. That section 801 of the Revised Statutes of the State of Florida be amended so as to read as follows:

801. Appointment of Medical Examiners. The governor shall appoint a State Board of Medical Examiners and also a State Board of Homeopathic Medical Examiners.

Sec. 2. That section 802 of the Revised Statutes of the State of Florida be amended so as to read as follows:

802. Qualification of Examiners. The State Board of Medical Examiners shall be composed of seven regular practicing physicians, who have been duly licensed to practice in this state; no two members shall be residents of the same judicial circuit. The Board of Homeopathic Examiners shall be composed of three practicing homeopathic physicians who are graduates in good standing of some medical college recognized by the American Institute of Homeopathy.

803. Terms of Office. The appointment of each member of each of said boards shall continue for four years from the date of such appointment. Whenever a vacancy shall occur on any of said boards, the same shall be filled by the governor for the unexpired term.

804. To Elect President and Secretary and Make Rules. Every board shall elect one of their number president and one secretary, and shall adopt all necessary rules for the guidance and control of their meetings.

Sec. 3. That section 805 of the Revised Statutes of the State of Florida be amended so as to read as follows:

805. Regular Meetings. Each board shall meet regularly semi-annually at some central and convenient point in the state to conduct examinations and grant licenses, as herein provided, and they shall give at least one month's public notice of their meeting by publication once a week in a newspaper of general circulation throughout the state.

806. Examination. It shall be the duty of said boards of examiners to examine thoroughly every applicant for certificate of qualification to practice medicine in any of its branches or departments on the production of his medical diploma from a recognized college on the following named subjects: Anatomy, physiology, surgery, gynecology, therapeutics, obstetrics and chemistry, but no preference shall be given to any school of medicine; provided that it shall be the duty of the Board of Homeopathic Medical Examiners to examine thoroughly every applicant for certificate of qualification to practice medicine in any of its branches or departments on the production of his diploma from a college recognized by the American Institute of Homeopathy on the following subjects: Anatomy, physiology, surgery, gynecology, materia medica, therapeutics, obstetrics and chemistry, and no preference shall be given to any school of medicine. (As amended by chapter 4419, acts of 1895.)

807. When the board shall be satisfied as to the qualifications of an applicant, they shall grant to him a certificate to that effect, which certificate shall entitle the person to whom granted to practice medicine in any county when the same shall have been recorded, as required by section 809.

808. Two May Grant Certificates—Temporary Certificates. Any two members of said board may grant a certificate of qualification to an applicant, and any member of said board shall have authority to grant a temporary certificate to an applicant on examination until the next regular meeting of the board, at which time the temporary certificate shall cease to be of force.

809. Record of Certificate. The certificate provided for in the two preceding sections shall, before the person to whom it is granted shall be entitled to practice by virtue thereof, be recorded in the office of the clerk of the circuit court in the county in which such practitioner may reside or sojourn, in a well-bound book to be kept by the clerk for that purpose, and when so recorded the clerk shall certify thereon, under his official seal, the fact and date of such record, and shall return such certificate to the person to whom the same was granted, and shall be entitled for such service to collect from the holder of such certificate the legal fee for recording.

Sec. 4. That section 810 of the Revised Statutes of the State of Florida be amended so as to read as follows:

810. Examination Fee. The board shall be entitled to demand and receive from each applicant examined the sum of fifteen dollars, whether a certificate be granted to such applicant or not.

811. Certificates to Former Practitioners. All practitioners who have been engaged in the practice of medicine, in any of its departments, in this state, prior to May 31, 1889, shall, on the production of a diploma from a medical college recognized by the American Medical Association, be granted by the board of examiners a certificate of qualification, without further examination and without charge.

812. Provisions Not to Apply to Certain Persons. The provisions of this chapter shall not apply to persons who have heretofore received certificates of qualification and have recorded the same as provided by the laws of this state heretofore existing, nor to females who follow the practice of midwifery strictly as such. No person, except those described in this section, shall be permitted to practice medicine in any of its branches or departments without first having obtained and recorded a certificate of qualification from some authorized board of medical examiners as hereinbefore provided.

MEDICAL PRACTICE ACT.

AN ACT

Regulating the Practice of Medicine and Surgery in the State of Georgia.

Approved December, 1894. Amendment approved August, 1904.

An Act to establish Boards of Medical Examiners for the State of Georgia; to define their duties and powers; to protect the people from illegal and unqualified practitioners of medicine and surgery; to regulate the issuing and recording of licenses; to prescribe penalties for the violation of this Act, and for other purposes.

Section 1. Be it enacted by the General Assembly of Georgia, and it is hereby enacted by authority of the same, That within thirty days after the passage of this Act, it shall be the duty of the Governor to appoint for this state three separate Boards of Medical Examiners of five members each, as follows: One board to consist of five members of the regular school of medicine; one board of five members of the eclectic school of medicine, and one board of five members of the homeopathic school of medicine. The members of each of said boards shall be men learned in medicine and surgery, of good moral and professional character, and graduates of reputable medical colleges; but none of them shall be members of the faculty of any medical college. Each of said three boards shall be wholly independent of and separate from the other two in the performance of the duties herein required of each of said boards. A majority of each board shall constitute a quorum.

Sec. 2. Be it further enacted, That the term of office of said members shall be for the term of three years; provided that two members of each board shall be first appointed for one year, two for two years, and one for three years; and subsequently each appointment shall be for the full term of three years. Any vacancy that may occur in said board, in consequence of death, resignation, removal from the state, or from other cause, shall be filled for the unexpired term by the Governor.

Sec. 3. Be it further enacted, That immediately and before entering on the duties of said office the members of said Boards of Medical Examiners shall take the following oath: "I do swear that I will faithfully perform the duties of a member of the Board of Medical Examiners for the State of Georgia to the best of my ability, so help me God," and shall file the same in the office of the Governor of the state, who, on receiving the said oath of office, shall issue to each examiner a certificate of appointment.

Sec. 4. Be it further enacted, That immediately after the appointment and qualification of said members, each board shall meet and organize. The officers of said board shall be a president, vice-president and secretary (who shall act as treasurer). Said officers shall be members of and elected by their respective boards. Each board shall hold two regular meetings in each year. One meeting shall be held at such time on or just before graduation day of each medical college now chartered, or that may hereafter be chartered, in this state, and the Board of Examiners, after consultation with the faculty of said college, shall fix a time for its meeting to suit a majority of the students graduating from said college; the other on the second Tuesday in October. The first meeting shall be held in the city of Atlanta, and the succeeding meetings of each board may be held in such city as each board may determine for itself. Special meetings may be held on the call of the president and two members of each board; but there shall not be less than two regular meetings in each year. Each board may prescribe rules, regulations and by-laws for its proceedings and government, and shall keep permanent record of its actions. And each board shall examine and pass on the qualifications of applicants for the practice of medicine in the state, as herein prescribed.

Sec. 5. Be it further enacted, That it shall be the duty of each board, at any of its meetings, to examine only persons making application to it, who are graduates of an incorporated medical college, school or university that requires not less than three full courses of study of six months each, who shall desire to commence the practice of medicine or surgery in the state, and who shall not by the provisions of this Act be exempt from such examination; but any person now matriculated as a student of medicine at any medical college, after graduation, and any person from another state who shall have graduated prior to April 1, 1895, at a lawfully chartered medical college requiring only two full courses of study, shall be eligible for examination and license; provided always that the applicant for such examination shall hold a lawfully conferred diploma from an incorporated medical college which conforms to the system of practice represented by the board to which the application shall be made; unless the applicant desires to practice a different system from that recognized in his diploma, then he shall appear before the board which represents the system that he proposes to practice. But in no event shall an applicant who stands rejected by one of said boards be examined or licensed by either of the other boards. If the applicant desires to practice a system not represented by any of the boards hereby established he may elect for himself the board before which he will appear for examination. When an applicant shall have passed an examination satisfactory as to proficiency before the board in session, the president thereof shall grant to such applicant a certificate to that effect. A fee of $10 shall be paid to such board through such officer or member as it may designate by each applicant before such examination is had. In case an applicant shall fail to pass a satisfactory examination before any board he shall not be permitted to stand any further examination before any of the boards within the next three months thereafter. Nor shall he again have to pay the fee prescribed aforesaid for any subsequent examination; provided that when, in the opinion of the president of any board, any applicant has been prevented by good cause from appearing before said board, the president and two members of said board designated by him shall constitute a committee, who shall examine such applicant, and may, if they see fit, grant him a certificate which shall have the same force and effect as though granted by a full board, until the next regular meeting of the board, when, if the applicant fails to appear for examination, said certificate shall be void.

Sec. 6. Be it further enacted, That the fund raised from the fees aforesaid shall be applied by each examining board to the payment of its expenses and to making a reasonable compensation to the president, secretary and members thereof.

Sec. 7. Be it further enacted, That before any person who obtains a certificate from any board, or from a committee of any board, may lawfully practice medicine or surgery in this state he shall cause the said certificate to be recorded in the office of the clerk of the Superior Court in the county in which he resides. But if he does not reside in the State of Georgia, he shall cause said certificate to be recorded in any county within this state in which he offers to practice. The certificate shall be recorded by the clerk in a book kept for that purpose. It shall be indexed in the name of the person to whom the certificate is granted. The clerk's fee for recording a certificate shall be the same as for recording a deed.

Sec. 8. Be it further enacted, That this Act shall take effect from and after the 1st day of January, 1895, and that it shall be unlawful thereafter for any person to commence the practice of medicine or surgery in this state without complying with the provisions of this Act. But nothing in this Act shall apply to persons now lawfully engaged in the practice of medicine or surgery in the State of Georgia, to any commissioned medical officer or contract surgeon of the United States Army or Navy or Marine-Hospital Service in the performance of their duties as such, nor to any physician or surgeon residing in any state or territory of the United States or in the District of Columbia, who may be bona fide called in consultation in a special case with a legally qualified physician or surgeon residing in this state; nor shall this Act be construed as affecting or changing, in any way, laws in reference to license tax to be paid by physicians and surgeons; provided that a non-resident physician or surgeon called in consultation in a special case, as above described, shall not be permitted to engage in continuous practice or consultation in connection with any resident physician or surgeon under any form of contract or agreement, direct or indirect.

Sec. 9. Be it further enacted, That any person shall be regarded as practicing medicine or surgery, within the meaning of this Act, who shall prescribe for the sick or those in need of medical or surgical aid, and shall charge or receive therefor money or other compensation or consideration, directly or indirectly; provided, however, that midwives and nurses shall not be regarded as practicing medicine or surgery.

Sec. 10. Be it further enacted, That any person who shall practice medicine or surgery in this state in violation of the provisions of this Act shall, upon conviction, be punished as prescribed in section 4310 of the Code of the State of Georgia, for each offense; and it shall not be lawful for him to recover by action, suit, motion or warrant any compensation for service which may be claimed to have been rendered by him as such physician or surgeon.

Sec. 11. Be it further enacted, That all laws and parts of laws in conflict with this act be, and the same are, hereby repealed.

Approved December 12, 1894.

AN ACT

To authorize the Boards of Medical Examiners of Georgia to grant licenses to licensees of Medical Boards of other States without examination and for other purposes.

Sec. 1. Be it enacted by the General Assembly of Georgia, That from and after the passage of this Act the Boards of Medical Examiners of Georgia be, and it is here, authorized, upon a receipt of a license fee of $10 without examination, to indorse licenses issued by other State Boards having an equal standard and requirements with the Georgia Boards; provided said other State Boards accord to the licensees of the Georgia State Boards the same courtesy, and said other board licenses, when indorsed, shall entitle the holder to register in this state, and to all the rights and privileges thereby granted. Provided, further, that all physicians in regular standing who graduated before the Act creating the State Examining Boards, be granted license without examination on payment of fees who desire to locate outside of this state.

Sec. 2. Repeals conflicting laws.

PHYSICIANS OF GEORGIA

EXPLANATORY NOTE.—The present medical practice act of Georgia went into force January 1, 1895. Previous to this date a system of county registration prevailed. The records of the Boards of Medical Examiners only show the names of licentiates since that date. It is, therefore, not possible to verify statements regarding the legal qualifications of physicians engaged in practice in Georgia prior to January 1, 1895. In a subsequent edition it is hoped to remedy this defect by a compilation of the records of the various county clerks in the state.

MEDICAL PRACTICE ACT.

Aproved March 3, 1899.

AN ACT

To Regulate the Practice of Medicine and Surgery within the State of Idano: and Providing Penalties for the Violation of this Act; and the Repeal of all Other Acts in Relation Thereto.

Be it Enacted by the Legislature of the State of Idaho:

Section 1. The Governor of the State, within sixty days from the expiration of the session of the legislature at which this act shall have been passed, shall appoint a Board of Medical Examiners, to be known and styled "The State Board of Medical Examiners," consisting of six members, a majority of whom shall never be appointed from, nor represent, any one school of medicine, and not less than three schools of medicine shall be at all times represented on said Board, all of whom shall be graduates of reputable medical colleges or universities, in good standing, and learned and skilled in the theory and practice of medicine and surgery, and of good moral repute.

The terms of office of the members forming the first board under this Act shall be as follows, viz.: Two members thereof shall be appointed to serve for a period of two years, and two members thereof shall be appointed to serve for a period of four years, and two members thereof shall be appointed to serve for a period of six years. After which all subsequent appointments shall be for a period of six years, and until their successors shall have been appointed and qualified. All persons appointed to serve under said board shall, upon assuming the duties thereof, make oath before a district or probate judge that they are graduates of colleges or universities in good standing, giving names and locations thereof, and that they will faithfully and impartially perform the duties of such office. These oaths shall be made in duplicate, one to be retained on file in the office of the secretary of said board, and one to be forwarded to the Secretary of State, who shall, on receipt of the same, issue to each member appointed on said board, and complying with this section, a certificate of such appointment, under his hand and the great seal of the State: Provided, That the Governor shall remove any member of said board who shall be guilty of any criminal or dishonorable conduct, or who shall be guilty of any unprofessional conduct forbidden by this Act, upon recommendation from the said board, made pursuant to a resolution thereof, duly authenticated and accompanied by all the facts and testimony in possession of said board, upon which the said resolution is based. Vacancies occuring from death, resignation or any other cause, shall be filled by appointment by the Governor within thirty days from the time such vacancies occur, and such appointee shall serve during the unexpired portion of the term of the member whose place he fills: Provided, further, that after the board shall have been constituted and organized, no person otherwise eligible shall thereafter be appointed on said board who is not in possession of a license to practice medicine and surgery in this State under the provisions of this Act.

Sec. 2. Said board shall have authority to prescribe and establish all needful rules, regulations and by-laws, not inconsistent with the laws of this State or the United States, to carry into effect the provisions of this Act.

Sec. 3. Said board shall organize immediately after appointment by electing from among its members a president, a secretary and a treasurer, and shall provide a seal and shall attest its acts under said seal. Any member of the board shall have the authority to administer oaths, and the board shall have authority to take testimony whenever the same is necessary in any matter relating to its official acts or duties. Said board shall hold regular meetings on the first Tuesday in the months of April and October in each year at the capital of the State, or at such other places as the board shall designate. Special meetings may also be called, when, in the opinion of a majority of the said board, the same is necessary, and shall be held at such times and places as a majority of the board may designate. Said board shall keep a minute book or general book of record in which all the official acts, proceedings and transactions of said board shall appear in full. They shall also keep in addition thereto a "Cash Book," in which shall appear in detail all receipts and disbursements of said board. They shall also keep a special register, containing the names and addresses of all applicants for license, together with the data required to be furnished in the application for said license. Said special register shall also show whether the applicant received license or was rejected, and if the applicant was rejected it shall contain a full statement of the reasons therefor. Said general book of record, the cash book, and the special register, shall be prima facie evidence of all matters therein recorded, and shall be public records in charge of the secretary of the board.

Sec. 4. The board shall make an annual report to the Governor of the State, which report shall set forth a full and complete history of all its official acts during the year, and shall also contain a true statement of all receipts and disbursements of said board for the period so reported.

Sec. 5. All persons, except as hereinafter provided, who are legally engaged in the actual practice of medicine and surgery, or either of them, within the State, at the time of the passage of this Act, under the provisions of the medical act of 1887, shall be licensed without examination to continue such practice under this Act, by making application to the State Medical Examining Board upon suitably prepared blanks to be furnished by said board, within six months from the taking effect of this Act. The applicant shall be required to transmit with said application a certificate from the county recorder from the county in which he or she may reside, that said applicant is a bona fide resident of the State and has recorded his or her diploma under the provisions of the medical act of 1887, giving date of such record. Persons who received a license under the now defunct medical law of 1897 will simply be required to transmit such license. The fee for license under this section shall be five ($5) dollars and shall in each case accompany the application. Upon fulfillment of the requirements herein stated, the board shall issue to said applicant a license to practice medicine and surgery within this State. Persons for whom the provisions of this section are intended, failing or refusing to avail themselves of the same, shall be and are hereby subject to the requirements of Section 6 of this Act.

Sec. 6. After the passage of this Act, every person, except as hereinafter provided, desiring to commence the practice of medicine and surgery, or either of them, within the State, shall, immediately and prior to commencing the same, make a written application to the State Medical Examining Board, upon suitably prepared blanks, to be furnished by the board, for a license so to do. The applicant shall transmit with said application his or her diploma, together with an affidavit setting forth that said diploma is genuine, and that the applicant is the rightful possessor thereof and the identical person named therein, and that same was obtained by pursuing the regular course of study or examination in said institution, and setting forth that he or she is a citizen of the United States, or has declared their intention of becoming such. If the said diploma has been issued by a reputable college of medicine in good standing, said applicant shall be eligible to examination. All applicants shall be examined in the applied branches of the theory and practice of medicine and surgery, or either of them, as those branches are taught in the reputable chartered schools of the system of medicine to which the applicant belongs and which the applicant intends to practice, and such examination shall in all cases include anatomy, physiology, pathology, diagnosis, hygiene, chemistry, histology and toxicology. No applicant for license shall be allowed to practice medicine and surgery, or either of them, until such license shall have been granted. The board shall cause the examination to be scientific and practical and sufficiently thorough to test the applicant's fitness to practice medicine and surgery, or either of them, and if the applicant correctly answer at least 75 per cent. of all the questions submitted, said board shall grant the applicant a license to practice medicine and surgery in this State. Every applicant for license under any of the provisions of this Act must furnish sufficient evidence to the board that they are of good moral character. All applications under this section must be accompanied by twenty-five ($25) dollars, which is the fee for examination under this section. Should the applicant fail to pass said examination, the fee is not returnable. The cost of transmission to and from the board of all papers belonging to an applicant under this or any other section of this Act shall be paid by the applicant. In the case an applicant for an examination fails to pass the required examination, he or she may be re-examined after the expiration of six months, and within one year, without the payment of an additional fee, and thereafter said applicant may be examined as often as desired at any regular or special meeting of the board on the payment of the regular fee for such examination. Said board may also refuse a license for unprofessional conduct, or conduct of a criminal, immoral, or dishonorable nature.

Sec. 7. The words "unprofessional or dishonorable conduct" as used in Section 6, or any other section of this Act, is hereby declared to mean:

First. The procuring or aiding or abetting in procuring a criminal abortion.

Second. The employment of what are popularly known as "cappers" or "steerers" in procuring practice.

Third. The obtaining of a fee on the assurance that a manifestly incurable disease can be permanently cured.

Fourth. A wilful betrayal of the professional secret to the detriment of the patient.

Fifth. All advertisements of medical business in which untruthful and improbable statements are made.

Sixth. All advertisements of any kind, of any medicine or means, whereby the monthly periods of women can be regulated or the menses can be re-established if suppressed.

Seventh. Conviction of any offense involving moral turpitude.

Eighth. Habitual intemperance in the use of ardent spirits, narcotics or stimulants.

Sec. 8. All questions upon the different branches of medicine and surgery submitted by said board to candidates for examination shall either be written or printed, or partly written and printed, and the questions on each branch shall be arranged upon separate sheets of paper and numbered consecutively.

The candidates shall be supplied with a list of questions upon but one branch or subject at a time, and, after completing his or her answers thereto, he or she shall be entitled to the next list of questions, and so on in like manner until said candidate shall have been examined in all the branches required. All answers to the questions thus submitted shall be in writing, upon suitable paper furnished by the board, no candidate being permitted to furnish his or her own paper for such written answers. Each list of the candidate's answers must bear the same title as the corresponding list of questions, and each answer shall be numbered to correspond with the question to which it refers. The questions submitted by the board to each candidate examined, together with the answers thereto, shall be

placed and kept on file in the office of the secretary of said board, and shall constitute part of the records of said office.

Sec. 9. When complaint is made to the board, of unprofessional or other conduct, on the part of any licentiate, under the provisions of the act, meriting a suspension, revocation, or cancellation of his license, the board shall have power to hear evidence for and against the accused, touching such complaint, and if the board be satisfied from the evidence of the justice of such complaint, the board must institute proper proceedings in the district court in and for the county where such licentiate resides, for the suspension or revocation, and cancellation of such license, and the district courts of this State are hereby vested with jurisdiction to hear and determine all such proceedings, and to suspend or revoke and cancel any license at issue in any such proceedings. The accused shall be entitled to appear in person or by counsel at every stage of such proceedings, from the first hearing of said complaint before the board to the final disposition of the case in the district court. All costs incident to any such proceeding in the district court shall be assessed by the court as the justice of the case, in the discretion of the court, may require.

In all such proceedings the county attorney shall appear for the board in the district court. In case the board refuse to grant a license to practice under this Act, the applicant shall have the right to have the action of the board refusing such license reviewed by the district court in and for the county in which the meeting at which the license was refused was held, or such other county as may be agreed upon: Provided, proceedings for such review be instituted within ten days after notice of such refusal upon the applicant.

Sec. 10. Any person practicing medicine and surgery within this State, without having obtained a license herein provided for, or contrary to the provisions of this Act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in a sum not less than fifty dollars, nor more than three hundred dollars, or by imprisonment in the county jail not less than ten days, nor more than six months, or by both such fine and imprisonment, in the discretion of the court, together with the costs of prosecution, and each day such person continues to practice medicine and surgery, contrary to the provisions of this Act, shall constitute a separate offense.

Sec. 11. Every person receiving a license under this Act shall, within thirty days thereafter, have the same recorded in the office of the county recorder, within the county where the licentiate intends to practice. Otherwise, said license is void. The county recorder of each county shall have suitably prepared a separate "book of record," in which all the licenses under this Act, presented to them, shall be recorded, and on the first day of December of each year furnish the Secretary of "State Medical Examining Board" a list of the licenses on record in his office, and upon notice to him from said secretary of the revocation of any license on record in his office, or of the death or removal from the county of any person whose license is on record therein, said recorder shall make a note of the fact on the page containing the record of said license, so that the records kept by said county recorder shall correspond with the records of his county as kept by the secretary of said medical board.

Sec. 12. All licenses issued by the board shall be numbered consecutively and in the order issued. Each license shall be signed by the president and secretary of the board under the official seal of the board issuing same. Four members of the board shall constitute a quorum to transact business at any regular or special meeting.

Sec. 13. The words "respectable or reputable medical college or university in good standing" are hereby declared to mean such medical colleges or universities as are legally chartered, reputable, and in good standing within the State or county where they are located.

Sec. 14. Any person shall be regarded as practicing medicine and surgery, or either, who shall advertise in any manner, or hold himself or herself out to the public as a physician and surgeon, or either, in this State, or who shall investigate or diagnosticate or offer to investigate or diagnosticate any physical or mental ailment of any person with a view of relieving the same as is commonly done by physicians or surgeons, or suggest, recommend, prescribe or direct, for the use of any person, sick, injured or deformed, any drug, medicine, means or appliance for the intended relief, palliation, or cure of the same, with the intent of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever: Provided, however, this Act shall not apply to dentists and registered pharmacists or midwives in the legitimate practice of their respective professions, nor to services rendered in cases of emergency, where no fee is charged. Any person who shall present to the board, as his or her own, the diploma of another, or a forged affidavit of identification, or who shall attempt to personate another practitioner of a like or different name, shall, upon conviction thereof, be subject to such fine and imprisonment as are made and provided by the statutes of the State of Idaho for the crime of forgery.

Sec. 15. It shall be the duty of the county attorneys to prosecute all violations of this Act within their respective counties. And in all cases of appeal to the supreme court of the State, the attorney general thereof shall represent said board upon said appeal. The board shall investigate all complaints of non-compliance with, or violations of, the provisions of this Act, and bring all such cases to the notice of the proper prosecuting officers.

Sec. 16. This Act shall not apply to commissioned medical officers of the United States army, navy and marine-hospital service in the discharge of their official duties, nor to railway surgeons in the discharge of official duties, nor to legally qualified physicians and surgeons from other states, when called in consultation with any legally qualified physician and surgeon of this State.

Sec. 17. The members of said board shall look alone to the revenues of this Act for reimbursement of actual expenses incurred in attendance upon the business of the sessions of said board, and they shall look alone to the same source for their per diem allowance, which shall not exceed the sum of five dollars per day each, for each day said board may be in actual session.

Sec. 18. The Governor is hereby empowered to receive from the late secretary of the now defunct state board of medical examiners all property and money in his possession belonging to the said board, and to deliver same to the secretary of the State Board of Medical Examiners to be by him appointed under this Act.

Sec. 19. All other acts and parts of acts regulating the practice of medicine and surgery in this State are hereby repealed.

Sec. 20. Whereas, an emergency is hereby declared to exist, this bill shall be in force and take effect from and after its passage and approval by the Governor.

Approved on the 3d day of March, 1899.

MEDICAL PRACTICE ACT.

AN ACT

To regulate the Practice of Medicine in the State of Illinois, and to repeal an Act therein named.

Section 1. Organization and Duties of State Board of Health: Be it enacted by the people of the State of Illinois represented in the General Assembly: That the State Board of Health shall organize within three months after the passage of this Act; it shall procure a seal and shall receive through its secretary applications for certificates and examinations. The president and secretary shall have the authority to administer oaths, and the board to take testimony in all matters relating to its duties.

Sec. 2. License from State Board of Health Required; Applications for License; Examinations; Graduates of Legally Chartered Medical Colleges in Illinois in Good Standing Granted Certificates: No person shall hereafter begin the practice of medicine, or any of the branches thereof, or midwifery, in this state without first applying for and obtaining a license from the State Board of Health to do so. Application shall be in writing, and shall be accompanied by the examination fees hereinafter specified, and with proof that the applicant is of good moral character. Applications from candidates who desire to practice medicine and surgery in all their branches shall be accompanied by proof that the applicant is a graduate of a medical college or institution in good standing, as may be determined by the board. When the application aforesaid has been inspected by the board and found to comply with the foregoing provisions the board shall notify the applicant to appear before it for examination at the time and place mentioned in such notice.

Examinations may be made in whole or in part in writing by the board, and shall be of a character sufficiently strict to test the qualifications of the candidate as a practitioner. The examination of those who desire to practice medicine and surgery in all their branches shall embrace those general subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine, by reputable medical colleges in the United States. The examination of those who desire to practice midwifery shall be of such a character as to determine the qualifications of the applicant to practice midwifery. The examination of those who desire to practice any other system or science of treating human ailments who do not use medicines internally or externally, and who do not practice operative surgery shall be of a character sufficiently strict to test their qualifications as practitioners. All examinations provided for in this Act shall be conducted under rules and regulations prescribed by the board, which shall provide for a fair and wholly impartial method of examination; provided, that graduates of legally chartered medical colleges in Illinois in good standing as may be determined by the board may be granted certificates without examinations.

Sec. 3. License to Practice; Provisions: If the applicant successfully passes his examination, or presents a diploma from a legally chartered medical college in Illinois of good standing, the board shall issue to such applicant a license authorizing him to practice medicine, midwifery or other system of treating human ailments, as the case may be; provided, that those who are authorized to practice other systems can not use medicine internally or externally or perform surgical operations; provided, further, that only those who are authorized to practice medicine and surgery in all their branches shall call or advertise themselves as physicians or doctors; and provided, further, that those who are authorized to practice midwifery shall not use any drug or medicine or attend other than cases of labor. Such license shall be in such form as may be determined by the board, and in accordance with the provisions of this Act; provided, however, that any wilful violation on the part of an applicant of any of the rules and regulations of the board governing examinations shall be sufficient cause for the board to refuse to issue a license to such applicant. Such certificates shall be signed by all members of the board and attested by the secretary.

Sec. 4. Certificates to be Recorded in Office of County Clerk; Records of County Clerk: Every person holding a certificate from the State Board of Health shall have it recorded in the office of the clerk of the county in which he resides or practices within three months from its date, and the date of recording shall be indorsed thereon. Until such certificate is recorded, as herein provided, the holder thereof shall not exercise any of the rights or privileges conferred therein. Any person practicing in another county shall record the certificate in like manner in the county in which he practices, and the holder of the certificate shall pay to the county clerk the usual fee for making the record. The county clerk shall keep, in a book provided for the purpose, a complete list of the certificates recorded by him, with the date of the issue of the certificate. The register of the county clerk shall be open to public inspection during business hours.

Sec. 5. Examination Fees: The fees for examination and for a certificate shall be as follows: Ten dollars for examination in medicine and surgery, and $5.00 for a certificate if issued. Five dollars for an examination in midwifery, and $3.00 for a certificate if issued. For all other practitioners $10 for an examination and $5.00 for a certificate if issued.

Sec. 6. Unprofessional or Dishonorable Conduct; Board may Withhold or Revoke Certificates; Hearing: The State Board of Health may refuse to issue certificates provided for in this Act to individuals who have been convicted of the practice of criminal abortion, or who have by false or fraudulent representation obtained or sought to obtain practice in their profession, or by false or fraudulent representation of their profession have obtained or sought to obtain money or any other thing of value, or who advertise under names other than their own, or for any other unprofessional or dishonorable conduct, and the board may revoke such certificates for like causes; provided, that no certificates shall be revoked or refused until the holder or applicant shall be given a hearing before the board.

Sec. 7. Definition of this Act: Any person shall be regarded as practicing medicine, within the meaning of this Act, who shall treat or profess to treat, operate on or prescribe for any physical ailment or any physical injury to or deformity of another; provided, that nothing in this section shall be construed to apply to the administration of domestic or family remedies in cases of emergency, or to the laws regulating the practice of dentistry or of pharmacy. And this Act shall not apply to surgeons of the United States Army, Navy or Marine Hospital Service in the discharge of their official duties, or to any person who ministers to or treats the sick or suffering by mental or spiritual means, without the use of any drug or material remedy.

Sec. 8. Itinerant Vendors; License; Penalties: That any itinerant vendor of any drug, nostrum, ointment or appliance of any kind intended for the treatment of diseases or injury, who shall, by writing or printing or any other method, profess to the public to cure or treat disease or deformity by any drug, nostrum or application, shall pay a license of $100 per month into the treasury of the board, to be collected by the board in the name of the people in the State of Illinois, for the use of said board. And it shall be lawful for the State Board of Health to issue such license on application made to said board, said license to be signed by the president of the board and attested by the secretary with the seal of the board; but said board may for sufficient cause refuse said license. And such itinerant vendor, who shall, by writing or printing or any other method, profess to cure or treat disease or deformity by any drug, nostrum or appliance without a license so to do, shall be deemed guilty of a violation of this section, and on conviction shall be subject to the penalties hereinafter provided.

Sec. 9. Penalties for Practicing Without License: Any person practicing medicine or surgery or treating human ailments in the state without a certificate issued by this board in compliance with the provisions of this Act, or any itinerant vendor violating the provisions of section 8 of this Act, shall for each and every instance of such practice or violation forfeit and pay to the people of the State of Illinois, for the use of the said Board of Health, the sum of $100 for the first offense and $200 for each subsequent offense, the same to be recovered in an action of debt before any court of competent jurisdiction, and any person filing or attempting to file as his own the diploma or certificate of another, or a forged affidavit of identification, shall be guilty of a felony, and on conviction shall be subject to such fine and imprisonment as are made and provided by the statutes of the state for a crime of forgery; provided, that this section shall not apply to physicians who hold unrevoked certificates from the State Board of Health issued prior to the time of the taking effect of this Act.

Sec. 10. Enforcing Penalties; Appeals: On conviction of either of the offenses mentioned in this Act the court shall, as a part of the judgment, order that the defendant be committed to the common jail of the county until the fine and costs are paid, and on failure to pay the same immediately the defendant shall be committed under said order for the first offense not more than thirty days, and for each subsequent offense not more than ninety days; provided, that either party may appeal in the same time and manner as appeals may be taken in other cases, except that where an appeal is prayed in behalf of the people no appeal bond shall be required to be filed, whether the appeal be from the justice of the peace or from the County or Circuit Courts, or from the Appellate Court. But it shall be sufficient in behalf of the people of the State of Illinois, for the use of the State Board of Health, to pray an appeal, and thereupon appeal may be had without bond or security.

Sec. 11. Board to Make Report of Proceedings and Pay All Funds into State Treasury on September 30 of each year: On the 30th day of September of each year the State Board of Health shall make report of its proceedings, showing all items of receipts from all sources and disbursements for all purposes, and all funds in the treasury on said date which have been received in the enforcement of this Act shall be paid into the state treasury.

Sec. 12. Repeal: An Act to regulate the practice of medicine in the State of Illinois, approved June 17, 1887, in force July 1, 1887, and all other acts and parts of acts inconsistent with this Act are hereby repealed.
